Hi Jen,

Our landscape architect has reviewed the comments from GMEU and provided the following response.
Hopefully this provides comfort that the proposed locations of bird and bat boxes are suitable.

6m Pinus sylvestris and 8m Magnolia grandiflora have been specified where the Bird & Bat Boxes are required. The size of trees will allow these boxes to be mounted.

Kind Regards

Jennifer

Hope you are well.

Comments from GMEU on the bird and bat boxes below...can you review this and make any necessary changes?

Thanks Jen

My only query is whether or not the trees they will be mounted on will be large enough. If not I would recommend positioning them on existing trees that are to be retained near to the canal.
