Details of the pre-application advice received

Janet has mentioned the development is acceptable and mentioned that the side extension should be reduced if neighbors at no.71 were to do a side extension which is not possible for them as the garage is on the other side so this should not effect the application. Also, access to the garden is still available from the side of no.67.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
