INTRODUCTION

A The Council is the local planning authority for the purposes of the 1990 Act for the area in which the Site is situated

B The Council is also the owner of part of the Site registered at HM Land Registry under title number MAN208510 and title number MAN212599 but is not entering the Agreement as a landowner

C The Developer is the owner of part of the Site which is registered at the Land Registry with title absolute under title number GM341021, which is currently awaiting registration at the Land Registry The Developer also has an interest in the Site by way of an assignment from the Third Owner of a contract for sale with the Second Owner dated 3rd August 2021 and a contract for sale with the Developer dated 31 May 2022

D The First Owner has an interest in the Phase 1 Land of the Site under a Lease dated 20th December 2021 which is currently awaiting registration at the Land Registry

E The Second Owner is the owner in part of the Site which is registered at the Land Registry with title absolute under title numbers GM923187, GM931554 and LA25470 but is not entering the Agreement as a landowner

F The Third Owner is the owner of part of the Site which is registered at the Land Registry with title absolute under title number GM864010 The Third Owner also has an

interest in the Site by way of a contract for sale with the Second Owner dated 3rd August 2021, which it has assigned to the Developer

G It is the intention of the parties that the Developer will acquire the Second Owner's interest and the Third Owner's interest in the Phase 2 Land and will then transfer its freehold interest in the Phase 2 Land to the Council pursuant to which the Council will grant a long lease to the Developer of the Phase 2 Land (which is conditional upon the Developer acquiring and transferring these interests to the Council to facilitate the grant of the long lease)

H The Owners have agreed with the Council that in the event they acquire an After Acquired Interest in the Site they will enter into a supplemental section 106 agreement in the form of this Agreement in order to bind such After Acquired Interest in the Site

I On 20th September 2019 the Third Owner gave the Council a planning obligation by way of a Unilateral Undertaking (the "Original Undertaking") in connection with the grant of the Planning Permission for development of the Site pursuant to the Application,

J On the 9th February 2021 the Third Owner gave the Council a planning obligation by way of a Unilateral Undertaking (the "Second Undertaking") in connection with the grant of the First S73 Permission

K On the 20th December 2021 the Third Owner gave the Council a planning obligation by way of a Unilateral Undertaking (the "Third Undertaking") in connection with the grant of the Second S73 Permission

L On 22nd December 2022 the Third Owner submitted the Third s73 Application to the Council

M The Owners have agreed to enter into this Agreement in support of the Third S73 Application so as to create Planning Obligations in favour of the Council pursuant to section 106 of the Act and to be bound by and observe and perform the covenants hereinafter contained

N On 13th July 2023 pursuant to delegated powers the Council resolved to grant planning permission for the Third S73 Application in the form of the draft decision notice annexed to Schedule 1 subject to the parties entering into this Agreement

O The Owners hereto have agreed that from the date of the grant of the Third S73 Permission they will not carry out or procure any work pursuant to the Extant Permissions

P The Council has agreed that from the date of this Agreement the Owners are released from the obligations given to the Council in the Original Undertaking, the Second Undertaking and the Third Undertaking

2 PLANNING OBLIGATION

2.1 This Agreement is made pursuant to section 106 of the Act, section 111 of the Local Government Act 1972, section 1 of the Localism Act 2011 and all other enabling legislation and is a planning obligation for the purposes of section 106 of the Act, with the intent that covenants

hereinafter contained shall be enforceable by the Council acting under the powers contained in section 106 of the Act or such other enabling powers against the Owners

3 CONDITION PRECEDENT

3 1 This Agreement is conditional upon Commencement of Development on the Site save for the provisions of Clauses 9, 11, 15, 17 and 18 which shall have immediate effect

4 CONDITION SUBSEQUENT

4 1 If the Third S73 Permission expires before the Commencement of Development on the Site or is quashed or declared unlawful as a result of legal proceedings then this Agreement shall absolutely determine and become null and void but without prejudice to the rights of either party against the other in respect of any antecedent breach

5 THE OWNERS' COVENANTS

5 1 The Owners covenant with the Council so as to bind the Site

5 1 1 to fully observe and perform the obligations on their part contained in this Agreement such obligations being planning obligations for the purpose of section 106 of the Act subject to clause 9 2 and 9 3 and,

5 1 2 that there shall be no further implementation of development authorised by the Extant Permissions from the date of this Agreement

6 THE COUNCIL'S COVENANTS

6 1 The Council hereby covenants with the Owners to observe and perform the obligations on its part in this Agreement

7 DISPUTE RESOLUTION

7 1 In the event of any dispute arising in connection with any of the terms of this Agreement other than a dispute involving the construction or interpretation of the terms of this Agreement or the enforcement of any decision pursuant to this Clause, the dispute shall unless the Council and the Owners otherwise agree be referred to an Expert to be appointed by agreement between the Council and the Owners

7 2 If the Council and the Owners are unable to agree on the appointment of an Expert within thirty (30) days of one party serving notice on the other calling for the appointment of an Expert then an Expert shall be appointed on the application of either party to the President for the time being of the Royal Town Planning Institute

7 3 Any reference of a dispute to an Expert shall if the parties are agreed in writing be deemed to be a reference to an expert (and not to an arbitrator) whose decision shall be final and binding (save for manifest error) but shall otherwise be deemed to be a reference to an arbitrator pursuant to the Arbitration Act 1996 and any statutory amendment variation substitution or re-enactment thereof

7.4 Any party to this Agreement shall be entitled to submit to the Expert representations and cross-representations with such supporting evidence as they shall respectively consider necessary and the Expert shall have regard thereto in making his decision which shall be delivered in writing. The reference of any dispute shall include authority to determine in what manner all the costs of the referral shall be paid.

8 WAIVER

8.1 No waiver (whether expressed or implied) by the Council of any breach or default in performing or observing any of the covenants, terms or conditions of this Agreement shall constitute a continuing waiver and no such waiver shall prevent the Council from enforcing any of the relevant terms or conditions or from acting upon any subsequent breach or default.

9 CHANGE IN OWNERSHIP & LIABILITY

9.1 The Owners agree with the Council to give the Council written notice of any change in ownership of any of its interest in the Site occurring before all the obligations under this Agreement have been discharged. Such notice to give details of the transferee's full name and registered office (if a company) or usual address (if not) together with (unless the purchase relates to the entirety of the Site) the area of the Site or unit of occupation purchased by reference to a plan.

9.2 No person shall be liable for any breach, non performance and non observance of the covenants, obligations and restrictions contained in this Agreement after it shall have parted with its entire interest in the Site (or the part in respect of which such breach occurs) but without prejudice to liability for any subsisting breach arising prior to parting with such interest.

9.3 Where a party's interest in the Site is limited only to a Phase it shall be bound to comply with the obligations in this Agreement only in so far as they are relevant to such Phase and not to any Phase in which it does not have a proprietary interest.

9.4 The obligations in this Deed will not be enforceable against

9.4.1 the individual purchaser or lessee of an individual Dwelling erected on the Site having a roof window and door and being in a state of readiness for Occupation nor against those deriving title from them,

9.4.2 the lessee under a rack rent lease of part for less than thirty five (35) years on the Site nor against those deriving title from them,

9.4.3 a statutory undertaker who has or takes in future an interest in the Site for the purpose of providing apparatus pursuant to its statutory undertaking for the Development, or

9.4.4 a mortgagee or chargee until they become a mortgagee or chargee in possession in which case it too will be bound by the planning obligations in this Deed as if it were a person deriving title from the Owners.

10 COUNCIL'S CONSENT OR APPROVAL

Where in this Agreement the consent, agreement or approval of the Council is required to be given by the Council, the Council confirms that such consent, agreement or approval shall not be unreasonably withheld or delayed provided that this shall not fetter the proper discretion of the Council

11 LOCAL LAND CHARGE AND LAND REGISTRY ENTRY

11 1 This Agreement is a Local Land Charge and shall be registered as such by the Council

11 2 For the purpose of noting this Agreement on the titles of the Owners the Owners will on the date hereof provide the Council with completed Forms AN1 (or any replacement of this form) together with either a cheque made payable to the Land Registry to cover the requisite fee or alternatively with the Owners' solicitor's completed Land Registry account key number details inserted in the form. The Council will arrange for the AN1 (or any replacement of this form) to be registered at the Land Registry and the Owners will supply the Council with a copy of the amended registers as soon as reasonably practicable following their receipt by the Owners from the Land Registry

11 3 In the event that any requisitions are raised by the Land Registry in connection with the application for registration the Owners will ensure that such requisitions are dealt with reasonably promptly

11 4 The Council will upon receipt of a written request of the Owners or their successors in title, at any time after the obligations set out herein have been fulfilled in their entirety, issue written confirmation thereon and thereafter cancel all related entries in the register of local land charges

11 5 The costs of registration and cancellation pursuant to clauses 11 3 and 11 4 above shall be met by the Owners if requested by the Council

12 THE CONTRACTS ACT

12 1 Save as provided in respect of the successors in title to the Site or any successor to the relevant statutory functions of the Council this Agreement shall not be enforceable by any third party pursuant to the Contracts (Rights of Third Parties) Act 1999 and no third party shall acquire any benefit rights or claims whatsoever pursuant thereto

13 COMMUNICATION

13 1 Any notice or document to be served on or sent pursuant to this Agreement shall either be delivered personally or sent by recorded delivery service

13 1 1 to the Council and addressed to the Director of Planning, Building Control and Licensing at the Council's address first above written,

13 1 2 to the Owners at their registered offices

14 WARRANTY AS TO TITLE

14 1 The Owners covenant that there are no interests (legal or equitable) required for the purposes of S106(3) and S106A(5) of the 1990 Act in the Site other than detailed in this Agreement

15 FEES

15 1 The Owners shall pay forthwith to the Council its legal fees reasonably and properly incurred in preparation of this Agreement

15 2 Receipt by the Council of the payment of such sum referred to in Clause 15 1 shall not create any lawyer-client type contractual relationship between the Council and the Owners nor absolve the Owners from any liability or obligation imposed upon them by the terms of this Agreement or by statute or at common law

16 INTEREST

16 1 If any payment due under this Agreement is paid late Interest will be payable from the date payment is due to the date that payment is received

17 JURISDICTION

17 1 This Agreement is governed by and interpreted in accordance with the law of England and the parties submit to the non-exclusive jurisdiction of the Courts of England

18 COMPLETION

18 1 The provisions of this Agreement (other than this clause which shall be of immediate effect) shall be of no effect until this Agreement has been dated

IN WITNESS whereof the Parties hereto have executed this Deed on the day and year first before written

Waste Management Strategy January 2023 V2 received by the City Council, as Local Planning Authority, on the 18 January 2023

Email from Agent Zerum received by the City Council, as Local Planning Authority, on the 13 June 2023

Phase II Geo Environmental Assessment (CM/C5128/11668 Rev C) received by the City Council, as Local Planning Authority, on the 2 June 2023

Drawings VN222463-TR103 and VN222463-TR104 received by the City Council, as Local Planning Authority, on the 21 March 2023

Reason - To ensure that the development is carried out in accordance with the approved plans, pursuant to Core Strategy policies DM1 and SP1

3) Prior to the commencement of Phase 3 of the development as defined by Condition 51, a programme for the issue of samples and specifications of all material to be used on all external elevations of that part of the development shall be submitted to and approved in writing by the City Council, as local planning authority. Samples and specifications of all materials to be used on all external elevations of each part of the development, to include jointing and fixing details and a strategy for quality control management, shall then be submitted to and approved in writing by the City Council as local planning authority in accordance with the programme as agreed above. The development shall be carried out in accordance with the approved details.

Phase 2 shall be carried out in accordance with the programme and details approved under consent referenced CDN/21/0644.

Reason - To ensure that the appearance of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area

within which the site is located, as specified in policies SP1 and DM1 of the Core Strategy.

4) The development shall be carried out in accordance with the Construction Management Plan 'Zerum Construction & Environmental Management Plan Condition 4 & 45 Rev 5' as approved on 9/3/21 under consent referenced CDN/20/0725 and 'Bowmer + Kirkland, St Michaels Construction Works Office Building/Retained Building Construction Environmental Management Plan, Rev B' as approved under consent referenced CDN/21/0642. In cases where these two documents conflict, the Bowmer + Kirkland document shall take precedence. Prior to the commencement of Phase 3 (as defined by Condition 51) an updated Construction Management Plan shall be submitted to, and approved in writing, by the City Council as local planning authority

Reason To ensure that the appearance of the development is acceptable and in the interests of the amenity of the area, pursuant to policies EN15, EN16, EN17 and EN18 of the Core Strategy and Guide to Development 2 (SPG)

5) a) The development shall be carried out in accordance with the 'Site Investigation Remedial Statement, Ramboll, March 2021, v3' approved on 30/3/21 under consent referenced CDN/21/0071 and Curtins Site investigation dated 3rd October 2022 reference 078847-CUR-00-XX-RP-GE-001 received by the City Council, as Local Planning Authority, on the 12 October 2022 (as approved under CDN/22/0732 (Phase 2 only))

b) Notwithstanding the Email from Agent Zerum received by the City Council, as Local Planning Authority, on the 13 June 2023 and Phase II Geo Environmental Assessment (CM/C5128/11668 Rev C) received by the City Council, as Local Planning Authority, on the 2 June 2023, prior to the commencement of phase 3 (excluding demolition), the following matters shall be submitted for approval in writing by the City Council, as Local Planning Authority:

- Further testing of the ground beneath the synagogue post demolition and updated recommendations with regard to this area as the assessment was undertaken prior to the synagogue being demolished.
- Confirmation that there are no areas of soft landscaping proposed as part of the final development. The BSL report includes details of remediation measures in the form of clean cover underlain by no dig layer should there be areas of soft landscaping which will need to be complied in this event. Details of testing requirements for imported clean materials should be included in the report and where trees or shrubs are proposed, a greater clean cover depth than 450mm will be required and this should be stated in the report in section 8.8.
- A UK water risk assessment will be required and details of the proposed water supply pipe to be installed will need to be confirmed. The report includes recommendations in section 8.8 with regard to service corridors and backfill which should be complied with when installing the water supply pipe and compliance will need to be demonstrated at validation stage.
- Validation proposals should also include evidence to demonstrate that excavated contaminated soil arisings have been suitably stored and maintained to prevent cross contamination and also include confirmation that validation will be provided to demonstrate contaminated soils have been disposed of appropriately.

The approved details shall be implemented as part of phase 3.

c) Within 4 weeks of the completion of demolition of each phase of the development (as defined by condition 51 of the consent), an updated report is required to be submitted to Manchester City Council, to include the details of the ground investigation, final risk assessment and remediation strategy (if remediation is required) of the ground which is currently inaccessible due to existing buildings still to be demolished, as outlined in the Brownfield Solutions Phase II Geo-Environmental Assessment Report (CM?C5128/11668 Rev C) April 2023' report. For the avoidance of doubt, it is accepted that site work will need to begin to allow these buildings to be demolished.

d) When the development commences, the development shall be carried out in accordance with the previously agreed Remediation Strategy and a Completion/Verification Report shall be submitted to and approved in writing by the City Council prior to the first occupation of each phase. Any Revised Remediation Strategy, which shall take precedence over any Remediation Strategy or earlier Revised Remediation Strategy.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety, pursuant to section 10 of the National Planning Policy Framework and Core Strategy policies EN14 and EN17.

6) The development shall be carried out in accordance with the 'Written Scheme of Investigation for an Archaeological Evaluation and Level 3 Historic Building Survey' approved on 12 January 2021 under permission reference CDN/20/0825.

Reason: In accordance with NPPF Section 12, Paragraph 141 - To record and advance understanding of heritage assets impacted on by the development and to make information about the archaeological heritage interest publicly accessible.

7) The development shall be carried out in accordance with the approved Waste Management Strategy January 2023 V2 received by the City Council, as Local Planning Authority, on the 18 January 2023. The approved scheme shall remain in situ whilst the use or development is in operation.

Reason: In the interests of amenity and public health, pursuant to policy DM1 of the Core Strategy for the City of Manchester.

8) No above ground construction of the tower podium (Phase 3 as defined by condition 51) shall take place unless and until a scheme for acoustically insulating the proposed residential accommodation against noise from the local area, including nearby road network, venues and other sources of noise, has been submitted to and approved in writing by the City Council as local planning authority. There may be other actual or potential sources of noise which require consideration on or near the site, including any local commercial/industrial premises. The approved noise insulation scheme shall be completed before any of the dwelling units are occupied.

Noise survey data must include measurements taken during a rush-hour period and night time to determine the appropriate sound insulation measures necessary. The internal noise criterion are as follows:

- o Bedrooms (night time - 23.00 - 07.00) 30 dB LAeq (individual noise events should not
- o normally exceed 45 dB L_{Amax} by more than 15 times)

- o Living Rooms (daytime - 07.00 - 23.00) 35 dB LAeq
- o Gardens and terraces (daytime) 55 dB LAeq

Additionally, where entertainment noise is a factor, in the noise climate, the sound insulation scheme shall be designed to achieve internal noise levels in the 63Hz and 125 Hz octave centre frequency bands so as not to exceed (in habitable rooms) 47dB and 41dB, respectively

Reason: To secure a reduction in noise from traffic or other sources in order to protect future residents from noise disturbance, pursuant to Core Strategy policies DM1 and SP1

9) No above ground construction of the tower podium (Phase 3 as defined by condition 51) shall take place unless and until a Radar Mitigation Scheme (RMS), (including a timetable for its implementation during construction), has been agreed with the Operator and approved in writing by Manchester City Council

The Radar Mitigation Scheme (RMS) shall thereafter be implemented and operated in accordance with the approved details

Reason: In the interests of aviation safety, pursuant to policies DM1 and SP1 of the Core Strategy.

10) Prior to the commencement of Phase 3 of the development, except demolition works, (as defined by condition 51), details of surface water drainage for that part of the development shall have been submitted to and approved in writing by the Local Planning Authority. For the avoidance of doubt these shall be in accordance with Non-Statutory Technical Standards for Sustainable Drainage Systems (March 2015) or any subsequent replacements national standards. The approved details shall be implemented as part of the development.

Phase 2 of the development (as defined by condition 51) shall be carried out in accordance with the surface water drainage details approved on 21/10/22 under consent referenced' CDN/22/0213.

Reason: To promote sustainable development, secure proper drainage and to manage the risk of flooding and pollution. This condition is imposed in light of national policies within the NPPF and NPPG and local policies EN08 and EN14.

11) No above ground construction to Phase 3 of the development (as defined by Condition 51) shall take place unless and until a detailed design guide for all shop fronts and commercial unit frontages in that part has been submitted to, and approved in writing by, the City Council, as local planning authority. The approved details shall be implemented as part of the development and be complete prior to the first use of the development hereby approved

Phase 2 of the development (as defined by condition 51) shall be carried out in accordance with the details approved on 04/04/23 under consent referenced CDN/23/0113

12) DELETED

13) No above ground construction of the tower podium (Phase 3 as defined by condition 51) shall take place unless and until full details of all wind mitigation measures, if required, have been submitted to, and approved in writing by the City Council, as local planning authority. All such measures shall be fully wind tested and accompanied by a detailed report confirming that wind conditions related to the development are satisfactory and acceptable. If no wind mitigation measures are required, this should be confirmed in writing to the City Council, as local planning authority.

Reason - To ensure that the details of the development are satisfactory, pursuant to policy DM 1 of the Core Strategy.

14) No part of the development hereby permitted (as defined by condition 51) shall be occupied until details of the implementation, maintenance and management of the sustainable drainage scheme for that part have been submitted to and approved by the local planning authority. The scheme for that part of the development shall be implemented and thereafter managed and maintained in accordance with the approved details.

Those details shall include

- o Verification report providing photographic evidence of construction as per design drawings,
- o As built construction drawings if different from design construction drawings;
- o Management and maintenance plan for the lifetime of the development which shall include the arrangements for adoption by any public body or statutory undertaker, or any other arrangements to secure the operation of the sustainable drainage scheme throughout its lifetime.

Reason: To manage flooding and pollution and to ensure that a managing body is in place for the sustainable drainage system and there is funding and maintenance mechanism for the lifetime of the development, pursuant to policies SP1, DM1, EN08 and EN14 of the Core Strategy.

15) Prior to the completion of each part of development (as defined by condition 51), a paving and surfacing strategy for the public footpaths, vehicular crossings, and vehicular carriageways around that part of the development shall be submitted to and approved in writing by the City Council as local planning authority. All works approved in discharge of this condition shall be fully completed before that relevant phase of the development hereby approved is first occupied

Reason In the interests of amenity and to ensure that paving materials are consistent with the use of these areas as pedestrian routes, pursuant to the Guide to Development and policy DM1 of the Core Strategy.

16) Samples and specifications of all hard landscape materials for each part of the development (as defined by condition 51), together with a layout plan identifying the location of the materials to be used in all areas of public realm, including external terraces, together with a programme for their implementation, shall be submitted to and approved in writing by the City Council as local planning authority

The approved scheme shall be implemented in accordance with the approved programme.

Reason: To ensure that a satisfactory landscaping scheme is carried out pursuant to policy DM1 of the Core Strategy and the Guide to Development.

17) No part of the development (as defined by condition 51) shall be occupied unless and until a scheme for the detailed landscaping and design of all areas of public realm within that part have been submitted to and approved in writing by, the City Council, as local planning authority.

The scheme shall include details of all seating, pergolas, planters and other items of street furniture, together with full details of all planting arrangements, including trees. If within a period of 5 years from the date of the planting of any tree or shrub, that tree or shrub or any tree or shrub planted in replacement for it, is removed, uprooted or destroyed or dies, or becomes, in the opinion of the local planning authority, seriously damaged or defective, another tree or shrub of the same species and size as that originally planted shall be planted at the same place.

Reason - To ensure that a satisfactory landscaping scheme for the development is carried out that respects the character and visual amenities of the area, in accordance with policies SP1, EN9 and DM1 of the Core Strategy.

18) Full details of all external seating areas, to be used in association with individual food and drink uses, shall be submitted to, and approved in writing by the City Council, as local planning authority, prior to the first occupation of ground floor use to which the external seating areas relate. The details shall include areas to be used for the consumption of food and drink, means of demarcation, furniture, lighting, signage and a schedule of days and hours of operation.

Reason - In the interests of visual amenity, and to safeguard the amenities of the occupiers of nearby properties, pursuant to policies SP1 and DM1 of the Core Strategy.

19) Prior to the commencement of each Class A3 restaurant and cafe use, Class A4 Drinking Establishment use, or Class A5 hot food takeaway full details showing provision of toilets, including those for disabled people, has been submitted to and approved in writing by the City Council as local planning authority. The details of the approved scheme shall be implemented as part of the development, prior to commencement of use, and shall remain in situ whilst the use or development is in operation.

Reason: In the interests of amenity and public health, pursuant to policy DM1 of the Core Strategy for the City of Manchester

20) Prior to the first occupation of phase 3 of the development (as defined by condition 51), a detailed parking strategy, including provision for 5 disabled parking spaces, 19 electric car charging points, and details of car parking management, and car parking space allocation, including how priority for vehicles accessing / egressing the car park will be managed, shall be submitted to, and approved by, the City Council, as local planning authority. The detailed parking strategy shall include an implementation programme, a temporary parking strategy and the introduction of fast charging for electric vehicle points. The parking strategy shall be fully implemented in accordance with the approved implementation programme.

Reason: To ensure that a satisfactory parking arrangements are provided pursuant to policy DM1 of the Core Strategy and the Guide to Development

21) Prior to the first occupation of each part of the development (as defined by condition 51), a detailed cycle parking strategy for that part, including how spaces will be allocated between office and residential use (if relevant), full details of arrangements for each residential unit (if relevant), and a programme for implementation shall be submitted to, and approved by, the City Council, as local planning authority. The cycle parking strategy shall be fully implemented for that part in accordance with the approved implementation programme.

Reason: To ensure that satisfactory cycle parking arrangements are provided pursuant to policy DM1 of the Core Strategy and the Guide to Development

22) Prior to the first occupation of the new-build hotel or residential accommodation within the development (Phase 3 as defined by condition 51), a detailed strategy for visitor pick-up and drop-off locations and hotel valet services shall be submitted to, and approved by, the City Council, as local planning authority. Details are also required regarding ad-hoc residential deliveries and short-term pick-up / drop-off arrangements.

Reason. In the interests of public and highway safety and the protection of residential amenity, pursuant to policy DM1 of the Core Strategy

23) Prior to the first occupation of each part of the development (as defined by condition 51), full details of the design and location of any taxi areas, shall be submitted to, and approved in writing by, the City Council as local planning authority. The approved taxi areas shall be fully implemented prior to the first occupation of that part of the development.

Reason: In the interests of amenity and highway safety, and to ensure the details of the development are acceptable, pursuant to Core Strategy Policy DM1.

24) Prior to the first occupation of each part of the development (as defined by condition 51), a Framework Travel Plan, including details of how the plan will be funded, implemented and monitored for effectiveness, shall be submitted to and approved in writing by the City Council as local planning authority. The strategy shall outline procedures and policies that the developer and occupants of the site will adopt to secure the objectives of the overall site's Travel Plan Strategy

Additionally, the strategy shall outline the monitoring procedures and review mechanisms that are to be put in place to ensure that the strategy and its implementation remain effective. The results of the monitoring and review processes shall be submitted in writing to the local planning authority and any measures that are identified that can improve the effectiveness of the Travel Plan Strategy shall be adopted and implemented.

Reason: In accordance with the provisions contained within planning policy guidance and in order to promote a choice of means of transport, pursuant to policies T2 and EN16 of the Core Strategy

25) Prior to the first occupation of each part of the development (as defined by condition 51), a servicing strategy and management plan for that part, including a schedule of loading and unloading locations, details of internal service bays and on-street servicing laybys, shall be submitted to and agreed in writing by the City Council as local planning

authority. Servicing shall thereafter take place in accordance with the approved strategy

Reason In the interests of public and highway safety and the protection of residential amenity, pursuant to policy DM1 of the Core Strategy

26) Deliveries, servicing and collections, including waste collections shall not take place outside the following hours 07:30 to 20:00, Monday to Saturday Where Sunday/Bank Holiday deliveries etc are permitted the times shall be confined to 10:00 to 18:00.

Reason - To safeguard the amenities of the occupiers of nearby residential accommodation, pursuant to policy DM1 of the Core Strategy

27) The development hereby approved shall be designed and constructed in accordance with the recommendations contained within section 3.3 of the submitted Crime Impact Statement dated (09/11/2017 - URN:2016/0827/CIS/02) and shall include the physical security specification listed within section 4 of the appendices within the submitted Crime Impact Statement. Each part of the development (as defined by condition 51) shall not be occupied unless and until the City Council, as local planning authority, has received written confirmation of a Secure by Design accreditation for that part.

Reason - To reduce the risk of crime pursuant to policies SP1 and DM1 of the Core Strategy.

28) The local labour scheme in respect of Phase 2 of the development (as defined by condition 51) as approved under consent referenced CDN/21/0643 shall be kept in place

The local labour scheme in respect of Phase 3 of the development (as defined by condition 51) as approved under consent referenced CDN/23/0291 shall be kept in place.

Reason - To safeguard local employment opportunities, pursuant to policies EC1 of the Core Strategy for Manchester

29) Before first occupation of each part of the development (as defined by condition 51), a signage design strategy for that part of the development shall be submitted to and approved in writing by the City Council as local planning authority.

Reason: To protect the visual amenity of the area and to ensure the development is carried out in a satisfactory manner pursuant to policy DM1 of the Core Strategy and Guide to Development 2 (SPG)

30) Prior to occupation of each Retail (Class A1), Restaurant and Cafes (Class A3), Drinking Establishments (Class A4) and / or Hot Food Takeaway (Class A5) hereby approved, the opening hours of each use shall be agreed in writing by the City Council as local planning authority. Those uses shall thereafter not open outside the approved hours.

Reason - In order that the local planning authority can achieve the objectives both of protecting the amenity of local residents and ensuring a variety of uses at street level in the redeveloped area in accordance with saved policy DC 26.1 in accordance with the

Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Core Strategy.

31) Prior to the first occupation of each part of the development(as defined by condition 51) , a schedule of days and hours of operation of all areas of public realm, including terraces, within that part shall be submitted to and approved in writing by the City Council as local planning authority All external areas shall thereafter not open outside the approved hours.

Reason - In order that the local planning authority can achieve the objectives both of protecting the amenity of local residents and ensuring a variety of uses at street level in the redeveloped area in accordance with saved policy DC 26 1 in accordance with the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Core Strategy.

32) No amplified sound or any music shall be produced or played in any part of external areas in the development, other than in accordance with a scheme detailing the levels at which any music shall be played and the hours during which it shall be played which has been submitted to and approved in writing by the City Council as local planning authority.

Reason - In interests of residential amenity in order to reduce noise and general disturbance in accordance with saved policy DC26.1 of the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Core Strategy

33) Fumes, vapours and odours shall be extracted and discharged from the premises in accordance with a scheme for each part of the development, to be submitted to and approved in writing by the City Council as local planning authority before the use within the relevant part commences and any works approved shall be implemented before the relevant uses within each part commences.

Reason - In the interests of the amenities of occupiers of nearby properties, pursuant to policies SP1 and DM1 of the Core Strategy.

34) Externally mounted ancillary plant, equipment and servicing shall be selected and/or acoustically treated in accordance with a scheme designed so as to achieve a noise level of 5dB below the existing background (LA90) in each octave band at the nearest noise sensitive location.

The scheme should be submitted to and approved in writing by the City Council as local planning authority prior to the first occupation of each part of the development, in order to secure a reduction in the level of noise emanating from the site

Reason - To minimise the impact of the development and to prevent a general increase in pre-existing background noise levels around the site, pursuant to policies SP1 and DM1 of the Core Strategy.

35) Before any A1, A3, A4 or A5 use hereby approved commences, the premises shall be acoustically insulated and treated to limit the break out of noise in accordance with a noise study of that unit and a scheme of acoustic treatment that has been submitted to and approved in writing by the City Council as local planning authority. The scheme for that unit shall be implemented in full before the use commences.

Where entertainment noise is proposed the LAeq (entertainment noise) should be controlled to 10dB below the LA90 (without entertainment noise) at the facade of the nearest noise sensitive location, and internal noise levels at structurally adjoined residential properties in the 63Hz and 125Hz octave frequency bands should be controlled so as not to exceed (in habitable rooms) 47dB and 41dB, respectively.

Reason - To safeguard the amenities of the occupiers of the building and occupiers of nearby properties, pursuant to policies SP1 and DM1 of the Core Strategy.

36) A post completion noise assessment report for each unit or use shall be undertaken to confirm that the recommended and agreed sound insulation measures have been adopted into the development. The report shall also include final sound testing to confirm acoustic criteria, required by condition, will be met based on the agreed recommended acoustic insulation and recommended internal entertainment noise levels. Details of any additional mitigation where necessary to comply with the noise criteria for the noise break in and noise breakout condition, together with external plant noise, shall be submitted and agreed by Environmental Health. Any additional mitigation will need to be verified and completed before occupation of that unit/ use.

Reason - To safeguard the amenities of the occupiers of the building and occupiers of nearby properties, pursuant to policies SP1 and DM1 of the Core Strategy

37) The development shall be carried out in accordance with the 'Air Quality Assessment' reference 70010278-411, dated November 2017 approved on 11 January 2021 under consent reference: CDN/20/0573.

Reason - To secure a reduction in air pollution from traffic or other sources in order to protect future residents from air pollution, pursuant to policies SP1 and DM1 of the Core Strategy.

38) The development hereby approved shall be carried out in accordance with the Environmental Standards statement received by the City Council, as Local Planning Authority, in support of the application. A post construction review certificate/statement for each part of the development (as defined by condition 51) shall be submitted for approval, within a timescale that has been previously agreed in writing, to the City Council as Local Planning Authority

Reason - In order to minimise the environmental impact of the development pursuant to the principles contained in the Guide to Development in Manchester 2 and policies SP1, DM1 and EN8 of the Core Strategy.

39) Construction/demolition works shall be confined to the following hours

- o Monday - Friday: 7.30am - 6pm
- o Saturday: 8.30am - 2pm
- o Sunday / Bank holidays: No work

Reason - To safeguard the amenities of the occupiers of nearby residential and commercial properties during the construction/demolition phase, pursuant to policies SP1 and DM1 of the Core Strategy

40) Piling or any other foundation designs using penetrative methods shall not be permitted other than with the express written consent of the local planning authority, which may be given for those parts of the site where it has been demonstrated that there is no resultant unacceptable risk to groundwater. Each part of the development (as defined by condition 51) shall be carried out in accordance with the approved details.

In respect of Phase 2 the details were approved on 13/07/22 under consent referenced CDN/22/0083

Reason: To ensure a safe form of development that poses no unacceptable risk of contamination to controlled waters pursuant to section 10 of the National Planning Policy Framework and Core Strategy policies EN14 and EN17

41) In respect of Phase 2 piling the details were approved on 13/07/22 under consent referenced CDN/22/0083 and shall be carried out in accordance with those details

In respect of Phase 3 piling the details were approved on 13/07/22 under consent referenced CDN/23/0288 and shall be carried out in accordance with those details.

Reason: To ensure a safe form of development that poses no unacceptable risk of contamination to controlled waters pursuant to section 10 of the National Planning Policy Framework and Core Strategy policies EN14 and EN17

42) Before first occupation of each part of the development (as defined by condition 51), full details of a Management and Maintenance Strategy for the external areas of that part, including planting arrangements, boundary treatments, furniture and lighting, shall be submitted to, and approved in writing by, the City Council as local planning authority.

Reason: In the interests of visual amenity, and to ensure the details of the development are acceptable, pursuant to Core Strategy Policy DM1

43) The development hereby approved shall include a lighting scheme for each part of the development (as defined by condition 51), including the illumination of any part of buildings and areas of public realm during the period between dusk and dawn. Full details of such a scheme, including how the impact on occupiers of nearby properties will be mitigated, shall be submitted to and approved in writing by the City Council as local planning authority before each part of the development is completed. The approved scheme shall be implemented in full before each phase of the development is first occupied.

Reason: In the interests of amenity, crime reduction and the personal safety of those using the proposed development, pursuant to policy E3.3 of the Unitary Development Plan for the City of Manchester DM1 of the Core Strategy.

44) Prior to occupation of Phase 3 of the development (as defined by condition 51) which incorporates residential use, a Residents Management Strategy shall be submitted to, and approved in writing by, the City Council, as local planning authority. The Residents Management Strategy shall include details of maintenance, security, energy management, Janitorial services, common parts cleaning, exterior services, and building policies in relation to waste disposal, storage and deliveries.

Reason: To ensure the development is managed in interests of the general amenities of the area, pursuant to policies SP1 and DM1 of the Core Strategy

45) Phase 2 of the development (as defined by Condition 51) shall be carried out in accordance with the 'Bowmer + Kirkland St Michaels Construction Works Office Building/ Retained Building Wheel Wash Information' approved under consent referenced CDN/21/0642. Prior to the commencement of Phase 3 (as defined by Condition 51) a wheel wash management scheme for that phase shall be submitted to and approved in writing by the City Council as local planning authority prior to work on that Phase commencing on site

Reason: In the interests of pedestrian and highway safety, pursuant to policies SP1 and DM1 of the Core Strategy

46) The details of an emergency telephone contact number shall be displayed in a publicly accessible location on the site and shall remain so displayed for the duration of the construction and fitting out of the development

Reason - In the interests of local amenity, pursuant policies SP1 and DM1 of the Core Strategy.

47) a) The development shall be carried out in accordance with the 'Baseline Television Signal Survey & Television Reception Impact Assessment' dated November 2019, as approved on 11 January 2021 under consent reference CDN/20/0573.

b) A study to assess the impact of Phases 2 and 3 of the development (as defined by Condition 51) on television signal reception within the potential impact area as defined in the report approved under (a) above shall be submitted to the City Council as local planning authority for approval within one month of the practical completion of each phase of the development and at any other time during the construction of the development if requested in writing by the City Council as local planning authority in response to identified television signal reception problems within the potential impact area. The study shall identify such measures necessary to maintain at least the pre-existing level and quality of signal reception identified in the survey carried out in (a) above.

Reason: To provide an indication of the area of television signal reception likely to be affected by the development to provide a basis on which to assess the extent to which the development during construction and once built will effect TV reception and to ensure that the development at least maintains the existing level and quality of TV signal reception as advised in PPG 8 and pursuant to policy

48) The demolition hereby permitted shall not be undertaken before a contract has been made for the carrying out of the building works for each part of the redevelopment of the site to which such demolition relates, which is the subject of this application (ref 135827/JO/2022)

Reason - To ensure the satisfactory development of the site, pursuant to policies DM1 and SP1 of the Core Strategy.

49) The apartments hereby approved shall be used only as private dwellings (which description shall not include serviced apartments/apart hotels or similar uses where sleeping accommodation (with or without other services) is provided by way of trade for money or money's worth and occupied by the same person for less than ninety consecutive nights) and for no other purpose (including any other purpose in Class C3 of the Schedule to the Town and Country Planning (Use Classes) Order 1995, or any

provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification).

Reason: To safeguard the amenities of the neighbourhood by ensuring that other uses which could cause a loss of amenity such as serviced apartments/apart hotels do not commence without prior approval pursuant to Core Strategy policies SP1 and DM1 and to ensure the permanent retention of the accommodation for normal residential purposes.

50) No externally mounted telecommunications equipment shall be mounted on any part of the buildings hereby approved, including the roofs.

Reason: In the interest of visual amenity and pursuant to policy DC18.1 of the Unitary Development Plan for the City of Manchester

51) The development hereby permitted shall be delivered in accordance with the Phasing Plan STM-PPP-01 P02 unless otherwise agreed in writing by Manchester City Council as local planning authority.

Reason: To clarify how the site is to be phased to assist with the determination of condition discharge applications and in order to ensure that infrastructure provision and environmental mitigation are provided in time to cater for the needs and impacts arising out of the development as it is delivered, pursuant to Core Strategy policies DM1 and SP1.

Building Regulations 2010

This permission does not grant approval under Building Regulations.

Street Naming & Numbering Requirements

Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the subdivision of existing properties you must ensure that you request new or changes to addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

Mining Information

The proposed development lies within an area which could be subject to current coal mining or hazards resulting from past coal mining. Please read the Standing Advice from the Coal Authority in Appendix A.

DRAFT DECISION

Date:

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2 If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.

Right of challenge on planning application decision

A third party does not have a right of appeal against a decision on a planning application. Instead there is a right of challenge (a Judicial Review) which is limited to lawfulness of the procedure that we have taken in coming to that decision.

Any challenge must be based on the following and not the merit of the decision:

- Procedural irregularity
- Irrationality
- Illegality

Any application for permission to bring such a challenge (which is through the High Court) must be made within 6 weeks of the date of the decision being issued.
