Dear Sirs

I am emailing in regards to discharge of condition number 3 (materials) .

My builder dropped off 3 bricks yesterday

1- red engineering brick for front of the house

2- Scottish snowie brick on side and back of house

3- brickies common or Manchester common brick to use on the side and back of the house

Either brick 2 or 3 for side and back

Please can you confirm these bricks are ok to use .

This is the first time I am getting building work done and apologies for not having much knowledge on protocol.

Kind regards

HAROON

You've just dropped off three bricks for the above, have you applied formally to discharge the materials condition?
