

Local Labour Construction - Proposal and Reporting Template

**Template Guidelines:**

- Please complete all information in the top row "Scheme Overview".
- For sections 1 - 3 please complete column "Total Indicative Target". Do the same for activities you want to undertake under sections 4 - 5 + if known add organisation(s) add details in Tabs
- An authorised person then needs to sign and date the form at the bottom.

If you would like to discuss your proposal including any support available please email [workandskillsadmin@manchester.gov.uk](mailto:workandskillsadmin@manchester.gov.uk).

**Reporting:**

- You should also use this form to send conditional End project reports or on the alternative frequency agreed. Your final report must be sent to the Planning Team to discharge the local labour condition.
- Provide the cumulative actual achieved at the time of reporting .
- Please use separate tabs to provide evidence records and case studies:
- An authorised person then needs to sign and date the form at the bottom.

| Scheme Overview                                                                                                                                                                                                                                       | Scheme Start Date (enter below) |                         | Scheme End Date (enter below)                                                                                                                                                                                                                                           | Expected start date of main recruitment (mm/yy) | Est construction value of scheme (nearest £M)                                                         |
