Dear Mrs Victoria Burrows,

WML-CL21 BAT MITIGATION CLASS LICENCE

Site: Louisa Street, Openshaw

Reference: RC038-8382A

Thank you for sending in the registration form for the above site; this has been forwarded on to one of our advisers.

We aim to inform you of our decision regarding your Registration within 10 working days. Therefore, you should hear from us by 4th July 2023.

Details of Natural England Charges

Natural England has considered the charge screening form submitted with your site registration and we agree with your assessment of charges.

Confirmation of your site registration will be charged at a fixed price of £130 plus time spent if a further information request is issued (charged to the nearest 15 minutes at our variable price rate).

Please note that our agreement on your applicable charge has been made on the content of your charge screen form and the initial processing of your licence application. Following more detailed assessment by one of our Advisers, if we believe your licence application charge is different to what we have stated in this email, we will contact you before confirming your site registration and explain why we believe your applicable charge is different.

Best regards,

Inez Hein
