Mixed Use Developments

Are the stores for residential and commercial separate from each other?

Internal Stores (Residential and Commercial)

Please provide details of internal stores / segregation of waste and recycling.

Sheds at the back of the property host currently 3 bins collected at monthly intervals, there is space for 6 bins and bins can be collected on a weekly basis.

Storage Areas for Waste Containers (Residential and Commercial)

Please provide details of container stores, attaching plans if appropriate.

Please look at Site plan.

Ensure all bins in the store are accessible

Ensure recycling facilities are as easy to access as general refuse

Please confirm details of waste store ventilation and hygiene / cleaning proposals

Ventilation - the wooden sheds at the back of the property allow for ventilation.

Hygiene - areas are cleaned on a weekly basis.

Please provide details of who will be responsible for placing the bins at the collection point and returning them to the store / property promptly e.g. resident / management company

The Applicants team will make sure all bins are collected, the cleaning team will take out bin from the build as needed.
