Part 2 – Particulars of decision

Manchester City Council gives notice that the detail(s) referred to in Part 1 are **Refused** in accordance with the information set out below.

Construction Management Plan
Condition 5 (Construction Management Plan) - The information attached is insufficient. The document provides a site limit of 115dB, this is not in context with existing ambient noise levels, how much above the existing levels is this? Where is this limit be measured? Is it at the site boundary or at the facade of noise sensitive premises? The noise should be limited so as not to have a significant effect on residents.

The CMP should include, as a minimum, details of machinery and equipment to be used and their expected noise levels, the identification of the noisiest activities and who these activities /work may impact, duration of these activities, site wide noise and vibration mitigation measures with reference to BPM to be adopted on site specifically for the noisier or more intrusive activities, the maximum site noise level and vibration levels at the site boundary particularly during the nosier activities, details of monitoring including how monitored (continual noise and vibration loggers) location of monitoring in relation to receptors, how the site supervisor is alerted if the noise /vibration limit is approached or exceeded and details of what action is taken where the maximum site noise and / or vibration levels (once agreed) are approached or exceeded (such as work shall cease

until the cause of the exceedance has been identified and where necessary, an alternative method of work established).

Notes

1. This decision relates only to that required under the Town and Country Planning Act 1990 (as amended) or Planning (Listed Building & Conservation Area) Act 1990 (as amended) does not include any consent or approval under any other enactment, byelaw, order or regulation.

2. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 or sections 20 and 21 of the Planning (Listed Building & Conservation Area) Act 1990 within six months of the date of the notice of the decision. However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.
- 28 days from the date the enforcement notice was served if served on or after the date the decision was made (unless this extends the appeal period beyond 6 months).

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-inspectorate. The Inspectorate will publish details of your appeal on the internet.

Alternatively, appeals can be made on a form which is obtainable from Planning Inspectorate, Customer Support Unit, Room 3/15, Eagle Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 or by telephone 0117 372 6372.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
