Use of the property for up to six residents living together with care provided (Class C3(b))

**Second Schedule**

Manchester City Council hereby certify that on 14 June 2023 the use/operations described in the First Schedule in respect of the land specified in the Second Schedule and more particularly identified on the plan attached to this certificate edged in red, was lawful within the meaning of section 192 of the Town and Country Planning Act 1990 (as amended), for the following reason(s):

1) Grant on the basis that section 55(2)(f) of the Town and Country Planning Act 1990 explains that the use of a building for any purpose within the same class shall not be taken, for the purpose of the Act, as amounting to 'development'.

The existing use of the property falls within Class C3(a) of the Town and Country Planning (Use Classes) Order 1987 (as amended), and the proposed use as detailed on the submitted application form, documents and drawings constitutes a Class C3(b), a use for occupation by up to six people living together as a single household and receiving care; accordingly this change of use falls within the same class and is therefore excluded from the definition of development and no planning permission would be required.

## **Notes to applicant**

1. This certificate is issued solely for the purposes of section 192 of the Town and Country Planning Act 1990 (as amended).
2. This certificate is issued solely to the extent of the use/operations described in the First Schedule and to the land specified in the Second Schedule and identified on the attached plan. Any use/operations which is materially different from that described or which relates to other land may render the owner or occupier liable to enforcement action.
3. The effect of the Certificate is also qualified by the proviso in Section 192(4) of the 1990 Act, as amended, which states that the lawfulness of a described use or operation is only conclusively presumed where there has been no material change, before the use is instituted or the operations begun, in any of the matters relevant to determining such lawfulness.
