John,

Flat 2 Kent Court 2A Kent Road West Manchester M14 5RF - 136571/TPO/2023

The applicant has proposed to carry out the following pruning works:

T1- Tree species: Fagus sylvatica Description of the proposed works: Reduce 1.5-2m to the nearest union or healthy side branch where possible.

Reason for work: encroaching to property

I have viewed the proposals and I can confirm that we would have no objection to the proposed trees works.

As always John, I would request that the applicant provides us with an estimated crown spread for before and after the work so we are able to measure the amount removed if required, but this application seems to be all above board.

Kind regards
