

Memorandum

To Gerry Reilly

From Leanne Chapman

Date 5 April 2023

Subject **CDN/23/0207**

Discharge of planning conditions 6 (CMP), 7 (Pavement Reinstatement) and 8 (Maintenance Plan) attached to planning permission 130567/FO/2021

We have reviewed the above application in relation to highways and our comments are as follows:

CONTEXT:-

The proposal is for the Discharge of planning conditions 6 (CMP), 7 (Pavement Reinstatement) and 8 (Maintenance Plan) attached to planning permission 130567/FO/2021 at Oxford Road (Os No. 399-401), Manchester, M13 9BL.

HIGHWAY RESPONSE:

The Highways Event and Traffic Management Team have made the following comment: No issues on the basis that there is no major track work needed for the units power supply, this would need confirming before a permit to work is agreed. The carriageway/cycle lane will need to remain clear at all times during installation, pedestrian access should be maintained on the footway or be provided with an alternative walkway.

Subject to the Applicant continuing ongoing discussions with the MCC Highways Applications and Network Resilience team regarding any requirements for licensing, hoarding / scaffolding and any associated temporary traffic management arrangements, this condition can be discharged.
