Description

Please describe details of the proposed development or works including any change of use

◯ Yes
⊘ No

Explanation for Proposed Demolition Work

Why is it necessary to demolish all or part of the building(s) and/or structure(s)?

The reason for not rebuilding or repairing the section of unstable wall is that there is an 80 year old lime tree next to the wall. We have been advised by a tree consultant that the wall cannot be rebuilt or repaired without having significant implications on the health of the tree. We would therefore like to save the tree over the wall.

The wall is the boundary wall for Broomcroft Hall. Broomcroft Hall is used for University events and functions.
