Part 1 – Particulars of the application/development

Proposal: Change of use from public house (Sui Generis) to form a restaurant, bar and shisha/smoking lounge (Sui Generis), together with the erection of a single storey rear extension to form additional floor space

Location: 6 Honey Street, Manchester, M8 8RG

Date of application: 10 May 2023

Application number: 136001/FO/2023

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Officers have worked with the applicant/agent in a positive and proactive manner in determining this application by assessing the proposal against relevant planning policies and all material considerations, identifying matters of concern with the proposal and discussing those with the applicant/agent. However, the issues identified are considered to be so fundamental that it has not been possible to negotiate a satisfactory way forward and due to the harm which has been clearly identified within the reason for the refusal, approval has not been possible.

Reason(s) for decision

1) The restaurant, bar and shisha/smoking lounge (Sui Generis) use is incompatible with the ongoing regeneration of Victoria North and has created a use which undermines the ongoing transformation of this area to a high quality residential led neighbourhood. This is contrary to the provisions of policies SP1 and DM1 of the Manchester Core Strategy (July 2012), the Manchester Northern Gateway Strategic Regeneration Framework and the National Planning Policy Framework.

2) The restaurant, bar and shisha/smoking lounge (Sui Generis) has resulted in unacceptable levels of noise, disturbance and activity in the surrounding area from the comings and goings associated with the nature of the use and the premises late opening hours of opening. This has resulted in an unduly harmful impact on residential and neighbourhood amenity. The single storey rear extension has also intensified the nature of the use at the site further. This is contrary to the provisions of policies SP1 and DM1 of the Manchester Core Strategy (July 2012), saved policies DC10 and DC26 of the Unitary Development Plan for the City of Manchester (1995) and the National Planning Policy Framework.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them.
