Details of the pre-application advice received

On a previous planning application for this property (Ref: 136891/FH/2023) we were advised that the proposals would be more acceptable if the first floor extension was towards the rear of the property rather than at the front. The client had to explore the financial viability of this before deciding to proceed with the plans for this application which take into account the officers suggestions.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.
