Manchester City Council are not satisfied that on 31 March 2023 the use/operations described in the First Schedule in respect of the land specified in the Second Schedule and more particularly identified on the plan attached to this certificate edged in red, was lawful within the meaning of section 192 of the Town and Country Planning Act 1990 (as amended), for the following reason(s):

1) Refuse on the basis that the proposed rear dormer as detailed on the submitted drawings 22 352 PD100B and location plan received on 31 March 2023 does not constitute permitted development and is not in accordance with Part 1, Schedule 2, Class B.2(a) of the Town and Country (General Permitted Development) Order 2015 (as amended), as the proposed grey composite boards would not be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse.
