Details of the pre-application advice received

Good afternoon,

Thank you for your email.

After discussions with senior colleagues, MCC will require you to withdraw this current application and apply under a Full Application for the proposed development seeing as it is for a commercial extension. Please answer the non-residential floorspace question 'YES' as this will calculate the application fee I believe.

Thank you very much for providing this information, it will be useful when the Full Application is under assessment! Please feel free to put my name into the pre-application question and therefore all being well I should be assigned the Full Application into my workload.

Yes I managed to get access to the side of the property, thanks again for all your help with the site visit.

Many thanks

Adam

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
