Existing Use

Please describe the current use of the site

The house was used for many years as a small HMO. In order to facilitate the sale of the property I applied for planning permission in this regard on 30 June 2022(134211/le/2022). This was refused as the Council contended that there were periods in the 10 years up to 30 June 2022 when the property had been used as a dwelling house. My appeal against the decision (APP/B4215/X/22/3306956) was rejected for the same reason on 13 February 2023. Subsequent to this appeal decision no enforcement notice was issued by Manchester City Council.
The rejection of my planning application meant that it was not lawful to use the house as an HMO, so I evicted the tenants. I understand from Manchester City Council Development Compliance Team that because I did this without an enforcement notice having been issued by them that I need to apply for planning permission to use my house as a house. Therefore I am doing as they instructed. An email from the council to my solicitor in this regard is attached to this application.
