Framing Detail E - 1:2

Proposed windows to 4th floor positions are to be traditional sliding sashes to match other original (historical) windows in the building.

The proposed works to the 4th floor windows are as follows:

- Timber sash windows to be carefully removed from existing openings;
- New windows to be fixed to match existing opening sizes and positions. New window set to be double-glazed with 4 / 4 / 4mm double-glazed units;

Window Details Key

	Glass - window panes single glazing
	Timber - window frames
	Brick - existing external walls
	Window board
	Stone - window cills
