Part 1 – Particulars of the application/development

Proposal: Erection of a two storey side extension (including hip to gable conversion) and single storey rear extension and installation of rear dormers following demolition of existing conservatory

Location: 15 Brooklands Road, Manchester, M8 4JH

Date of application: 6 March 2023

Application number: 136404/FH/2023

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Reason(s) for decision

0) The proposal was assessed with regards to policies outlined in the National Planning Policy Framework, Unitary Development Plan Saved Policies, Local Development Framework Core Strategy Development Plan and other material considerations. In this instance officers have worked with the applicant in a positive and proactive manner, but a revised scheme which overcame concerns was not received.

1) The development by reason of its proximity to the shared boundary, together with the scale, siting, appearance and massing of the side extension (including hip to gable conversion), is considered to have an overbearing impact, creating an intrusive feature in the form of expanse of brickwork along the boundary to the detriment of the residential amenity to the occupiers of the neighbouring property. The proposal is therefore contrary to policies SP1 and DM1 of the Manchester's Core Strategy Development Plan Document and saved Unitary Development Plan policies DC1 and the guidance within the National Planning Policy Framework.

2) The erection of a two storey side extension (including hip to gable conversion) would, by reason of its scale, design, appearance and massing, form an overly dominant and visually obtrusive feature along Brooklands Road. The proposal would therefore have an unduly harmful impact on visual and residential amenity, which is contrary to policies SP1, EN1 and DM1 of the Manchester Core Strategy (2012), saved policy DC1 of the Unitary Development Plan for the City of Manchester (1995), the Guide to Development in Manchester SPD and the National Planning Policy Framework.

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
