Address: 100 Wharfside Street Level 2 The Mailbox
Birmingham B1 1RT

Dear Rob Stevens,

Thank you for your valued enquiry. We have pleasure in submitting our quotation for the supply of Daikin UK products and services as detailed below.

The equipment and services as detailed within this document have been based upon the information provided by you or information already in our possession. It is your responsibility to check the selections shown, to ensure that they meet your specific project requirements and that we interpreted your requirements precisely and correctly.

The offer is based upon the assumption that all of the equipment and services listed would be ordered together and eventually fully invoiced to you. Should any part of the selection not be required then please contact us to provide an alternative quotation, where we can confirm our new pricing offer based on the revised requirement.

We trust the information provided meets with your approval and requirements, allowing you to proceed with Daikin UK. However should you have any further queries please do not hesitate to contact us and we will be pleased to help you.

Yours Sincerely,

Darren Scott

Equipment Availability

Daikin UK will supply most equipment from stock however, some items (such as but not limited to:- Chilled water products, Air handling, Rooftop Packaged and made to order units) may be subject to extended delivery times. Please call at time of order for dates available.

Delivery

Unless otherwise mentioned, this project price includes one shipment to a UK Mainland site, on our standard vehicle, between the hours of 8.00am- 5.00pm, Monday - Friday.

Should you require more than one delivery to site, out of hours delivery, a specific or specialist vehicle or timed delivery, then additional costs will be levied based on the individual project and location - please contact us for details

Storage

Should you not be able to accept delivery of some items immediately after manufacture (such as but not limited to: Chillers, Air Handling units, Rooftop Packaged and made to order units) we can make arrangements to store the equipment. Storage with us would be at your own risk and expense and any associated handling, subsequent delivery and storage charges would be passed on to you. Please do not hesitate to contact us for further information should you feel this may be a requirement of your project.

Commissioning

Unless otherwise included, commissioning services will be charged separately.

Warranty

The Daikin equipment offered is subject to the relevant warranty terms and conditions, which are available on request.

Exclusions

Prices are exclusive of the following items unless stated in the aforementioned.

Any installation or site requirement such as (but not limited to):

- 1) Un-loading, spreader bars, lifting gear etc.
- 2) Special vehicles, timed, weekend or out of hours delivery
- 3) Storage
- 4) Equipment handling and positioning on site
- 5) All builders work, foundations or supports
- 6) Water flow balancing or proving
- 7) Fitting, wiring & commissioning of any loose items
- 8) Pipework, valves, commissioning sets, controls etc.
- 9) Electrical services, inc power and controls wiring
- 10) BMS wiring, configuration and interfacing
- 11) Refrigerant & oil charge. (condenserless chillers)
- 12) Removal or disposal of redundant equipment
