

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

(j) Sections 3,4,5 and 6 Crime Impact Assessment VERSION B: 10th May 2023 stamped as received on 12-05-23

(k) Neptune Mill, Chapeltown St, Manchester, Waste Management Strategy 353 PD 0003 (P2) April 2023 stamped as received on 12-05-23

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to Core Strategy SP1, CC7, CC9, EN3 and DM 1 and saved Unitary Development Plan policies DC19.1 and DC26.

3) Notwithstanding the details submitted with the application, prior to the commencement of development the following shall be submitted for approval in writing by the City Council, as Local Planning Authority:

(a) a programme for: providing details of all repair and cleaning works and methodologies; for inspection of samples of these works; a quality control management statement; and for implementation of these works.

(b) The agreed works shall be implemented in accordance with the programme following sign off of samples;

(c) A schedule of and programme for the submission of samples of all internal and external materials;

(d) The material samples shall be submitted and approved in writing in accordance with the above programme;

Reason - To ensure that the appearance of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area within which the site is located, as specified in policies SP1 and DM1 of the Core Strategy.

4) Final details of the method of extraction of any fumes, vapours and odours from any kitchen within each ground floor unit shall be submitted to and approved in writing by the City Council as local planning authority prior to commencement of those uses.

The details of the approved scheme shall be implemented prior to occupancy of each unit and shall remain in situ whilst the use or development is in operation.

Defra have published a document entitled 'Guidance on the Control of Odour and Noise from Commercial Kitchen Exhaust Systems' (withdrawn but still available via an internet search). It describes a method of risk assessment for odour, guidance on minimum requirements for odour and noise control, and advice on equipment selection. It is recommended that any scheme should make reference to this document (particularly Annex B) or other relevant guidance or documents which supersede this guidance. Details should also be provided in relation to replacement air. The applicant will therefore need to consult with a suitably qualified ventilation engineer and submit a kitchen fume extract strategy report for approval.

Reason - To safeguard the amenities of the occupiers of nearby residential accommodation, pursuant to policies SP1 and DM1 of the Core Strategy

5) Before any works necessary to implement the approval commence a methodology and specification for any associated scaffolding and support structure for the listed building including its location, means of affixing to the building, location of any associated fixings to the building, details of how the building fabric would be protected from potential damage as a result of the erection of the scaffolding and details of making good to the building fabric following removal shall be submitted to and approved in writing by the City Council as local planning authority. No development shall commence unless and until the above details have been agreed.

Reason - In the interests of visual amenity and because the proposed works affect a building which is included in the Statutory List of Buildings of Special Architectural or Historic Interest and careful attention to building work is required to protect the character and appearance of this building and to ensure consistency in accordance with policies CC9 and EN3 of the Core Strategy and saved policy DC19.1 of the Unitary Development Plan for the City of Manchester.

6) Prior to any implementation of any plant associated with (a) the office accommodation and (b) each ground floor commercial use

a scheme for the acoustic insulation of any plant including externally mounted ancillary equipment, lift equipment, substation and any emergency plant associated with the development to ensure that it achieves a background noise level of 5dB below the existing background (La90) at the nearest noise sensitive location shall be submitted to and approved in writing by the City Council as local planning authority in order to secure a reduction in the level of noise emanating from the equipment.

The approved scheme(s) shall be completed before the (a) office accommodation and (b) each ground floor commercial use premises are occupied and a verification report(s) submitted for approval by the City Council as local planning authority for each of (a) and (b) and any non compliance suitably mitigated in accordance with an agreed scheme prior to occupation. The approved details shall be implemented and remain in place for as long as the above uses are operational

The approved details shall be implemented and remain in place for as long as the above uses are operational

Reason - To secure a reduction in noise in order to protect future residents from noise nuisance, pursuant to policies SP1, H1 and DM1 of the Core Strategy.

7) Deliveries, servicing and collections, including waste collections shall not take place outside the following hours: 07:30 to 20:00, Monday to Saturday, Sunday/Bank Holiday the times shall be confined to 10:00 to 18:00

The approved details shall be implemented and remain in place for as long as the unit is in use (and any subsequent permitted changes of use under Class E)

Reason - In interests of residential amenity in order to reduce noise and general disturbance in accordance with saved policy DC26 of the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Core Strategy.

8) Prior to the commencement of development, a detailed construction management plan outlining working practices during development shall be submitted for approval in writing by the local planning authority in consultation with TFGM Metrolink, which should include;

- *Display of an emergency contact number;
- *Details of Wheel Washing if appropriate;
- *Compound locations where relevant;
- *Location, removal and recycling of waste;
- *Routing strategy and swept path analysis;
- *Communication strategy with residents and businesses which shall include details of how there will be engagement, consult and notify residents during the works; and

*Parking of construction vehicles and staff;

Manchester City Council encourages all contractors to be 'considerate contractors' when working in the city by being aware of the needs of neighbours and the environment. Membership of the Considerate Constructors Scheme is highly recommended.

The development shall be carried out in accordance with the approved construction management plan.

Reason - To safeguard the amenities of nearby residents, highway safety and air quality, pursuant to policies SP1, EN16, EN19 and DM1 of the Manchester Core Strategy (July 2012).

9) The development shall be carried out in accordance with Sections 3,4,5 and 6 Crime Impact Assessment VERSION B: 10th May 2023 stamped as received on 12-05-23 the development shall only be carried out in accordance with these approved details and within 3 months of completion, the applicant will provide evidence that the approved details have been fully implemented and agreed with GMP design for Security for approval by the City Council as Local Planning Authority.

Reason - To reduce the risk of crime pursuant to policies SP1 and DM1 of the Core Strategy and to reflect the guidance contained in the National Planning Policy Framework

10) Prior to commencement of development final details of the landscaped areas as set out in Dwg 353 CD 9001 P4 and a programme for delivery shall be submitted and approved in writing by the City Council as Local Planning Authority

The landscaping scheme shall then be implemented in accordance with the approved timescale.

Reason - In the interests of visual amenity and because the proposed works affect a building which is included in the Statutory List of Buildings of Special Architectural or Historic Interest and careful attention to the setting of the building work is required to protect the character and appearance of this building and to ensure consistency in accordance with policies CC9 and EN3 of the Core Strategy and saved policy DC19.1 of the Unitary Development Plan for the City of Manchester.

11) a) Prior to the commencement of the development (excluding demolition), details of a Local Benefit Proposal, in order to demonstrate commitment to recruit local labour for the duration of the construction of the development, shall be submitted for approval in writing by the City Council, as Local Planning Authority. The approved document shall be implemented as part of the construction of the development.

In this condition a Local Benefit Proposal means a document which includes:

- i) the measures proposed to recruit local people including apprenticeships
- ii) mechanisms for the implementation and delivery of the Local Benefit Proposal
- iii) measures to monitor and review the effectiveness of the Local Benefit Proposal in achieving the objective of recruiting and supporting local labour objectives

(b) Within one month prior to construction work being completed, a detailed report which takes into account the information and outcomes about local labour recruitment pursuant to items (i) and (ii) above shall be submitted for approval in writing by the City Council as Local Planning Authority.

Reason - The applicant has demonstrated a commitment to recruiting local labour pursuant to policies SP1, EC1 and DM1 of the Manchester Core Strategy (2012).

12) Notwithstanding the details approved within condition 2 before development commences the following shall be submitted to and approved in writing by the City Council as Local Planning Authority:

- a) Fire and acoustic separation works.
- b) Final details of M&E services including a strategy for any fume extraction from the commercial units.
- c) A schedule of any intrusive investigations and mitigation/ repair including details of the need for the works, the number, sizes, locations and method statement for each task including building protection works;
- d) Details of any structural strengthening works and other structural interventions .
- e) A method statement for the removal of the extension and making good.
- f) A detailed audit of all internal and external features of historic and industrial interest and details of how these will be reused, refurbished or reinstated;
- g) A schedule of paint sampling including all painted surfaces such as the cast iron columns, timbers and walls as a record and in order to inform the proposed decoration;
- h) Details of the proposed cycle store and maintenance station;

A programme for the implementation of the approved works shall be submitted to support each item and the works shall be carried out and completed in accordance with that programme.

Reason - In the interests of visual amenity and because the proposed works affect a building which is included in the Statutory List of Buildings of Special Architectural or Historic Interest and careful attention to building work is required to protect the character and appearance of this building and to ensure consistency in accordance with policies CC9 and EN3 of the Core Strategy and saved policy DC19.1 of the Unitary Development Plan for the City of Manchester.

13) Notwithstanding the details as set out in condition 2 above for each of the following items no works shall commence unless and until final details (including where appropriate specification and method statement) of the following have been submitted to and approved in writing by the City Council as Local Planning Authority:

- a) A strategy and details of works associated with removal and replacement of windows and any required making good.
- b) Timber repairs;
- c) Building cleaning internal and external;
- d) External and internal repairs;
- e) Details of the works associated with the insertion of the rooflights including the relocation of the purlins and details of interface with slate roof;
- f) Details of the grilles within the elevations;
- g) Details of installation of cast iron RWP's;
- h) Works to and finishes within the stairwell;
- i) Details of any proposed dampproofing;

- j) Details of formation of new doorways to Baird Street and making good of new openings;
- k) Details of making good parts of the building that are to be the subject of removals
- l) Proposed wall, ceiling floor finishes, including new materials and works to the existing finishes. This should include the product specifications;
- m) Works to cast iron columns & timbers including decoration which should be based on a historic paintwork analysis;
- n) Details of repairs and upgrade of existing roof;
- o) A strategy and details of the location and detailing of all building services including electrics and plumbing, telecommunications, fire/security alarms, any aerials and CCTV cameras (and associated cabling and equipment) along with final details of these items;
- p) Final specification of new main entrance door and doors to Baird Street elevation;
- q) Fixings location and positions in the reveals of the new Juliet Balconies;
- r) Detailed design of louvres within 1st floor window opening on North Elevation and
- s) Final finish to block work behind glazing within lift shaft.

A programme for the implementation of the approved works shall be submitted to support each item and the works shall be carried out and completed in accordance with that programme.

Reason - In the interests of visual amenity and because the proposed works affect a building which is included in the Statutory List of Buildings of Special Architectural or Historic Interest and careful attention to building work is required to protect the character and appearance of this building and to ensure consistency in accordance with policies CC9 and EN3 of the Core Strategy and saved policy DC19.1 of the Unitary Development Plan for the City of Manchester.

15) Before any mural as shown in dwgs Proposed South Elevation 1008 Rev P4, Proposed North Elevation 1009 Rev P5, Proposed East and West Elevation 1010 Rev P4 are installed on (a) the gable wall facing Congou Street and (b) the stair core / lift overrun details of the following shall be submitted to and approved in writing by the City Council as Local Planning Authority:

- (c) A specification and method of application ensure that there is no permanent damage to the surfaces to which the installations are being applied; and
- (d) Details how the murals can be removed without damage to the surfaces to which they are applied.

Reason

In the interests of visual amenity and because the proposed works affect a building which is included in the Statutory List of Buildings of Special Architectural or Historic Interest and careful attention to building work is required to protect the character and appearance of this building and to ensure consistency in accordance with policies CC9 and EN3 of the Core Strategy and saved policy DC19.1 of the Unitary Development Plan for the City of Manchester.

Informatives

Building Regulations 2010

This permission does not grant approval under Building Regulations.

Street Naming & Numbering Requirements

Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the subdivision of existing properties you must ensure that you request new or changes to addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

You can apply online at the following address:

http://www.manchester.gov.uk/info/100011/roads_parking_and_transport/1988/naming_and_numbering_of_houses_buildings_streets_and_roads/2

Mining Information

The proposed development lies within an area which could be subject to current coal mining or hazards resulting from past coal mining. Please read the Standing Advice from the Coal Authority in Appendix A.

Whilst the building to be converted has been assessed as very low risk for bats, the applicant is reminded that under the 2019 Regulations it is an offence to disturb, harm or kill bats. If a bat is found all work should cease immediately and a suitably licensed bat worker employed to assess how best to safeguard the bat(s). Natural England should also be informed.

Construction/demolition works shall be confined to the following hours unless otherwise agreed in writing by the City Council as local planning authority:

Monday - Friday: 7.30am - 6pm

Saturday: 8.30am - 2pm

Sunday / Bank holidays: No work

Workforce may arrive on site 30 minutes prior but no working outside these times, unless changed by prior agreement. Noise to be kept to a minimum in the first hour. Reason - To safeguard the amenities of the occupiers of nearby residential accommodation during the construction phase.

Generator: The routine maintenance and servicing of any emergency generator shall be confined to Monday to Friday 08:00 to 18:00 hours.

Nesting birds: No works to trees or shrubs shall occur between the 1 st March and 31 st August in any year unless a detailed bird nest survey by a suitably experienced ecologist has been carried out

This approval does not grant or imply the granting of consent for any signage zones as shown on the approved dwgs.

Date: 18 August 2023

Julie Roscoe
Director of Planning, Building Control & Licensing

Manchester City Council, P O Box 532, Town Hall, Manchester M60 2LA

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2 If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
