2. Anomaly accepts no liability for use of this drawing by parties other than the party for whom it was prepared or for purposes other than that which is stated on the issue sheet. It shall not be disclosed or passed to any other party in any form in whole or part without Anomaly's express permission in writing nor should any other party place reliance upon it.

3. Where data is supplied electronically, it is for convenience only. The original information is the printed or controlled copy which will be supplied on request.

4. All dimensions are in millimetres. No dimensions or other information shall be inferred from the electronic data unless specifically stated on the printed or controlled copy. Where dimensions are not given, drawings must not be scaled and the matter should be referred back to Anomaly.

5. This drawing should be read in conjunction with all other project information, produced by Anomaly and others. In the event of any conflict between the information contained on this drawing and in any other project document, drawings, specifications, schedules etc. the matter must be referred back to Anomaly for clarification.

6. All dimensions and conditions are to be checked on site by the contractor prior to preparing designs, drawings, calculations etc. or commencing any work. The contractor is responsible for checking that there is no conflict between site dimensions and drawn dimensions.

Key plan

Drawing key

This architectural floor plan shows the layout of the 1st floor. It includes a large central hall with a curved wall, several rooms with circular features (possibly windows or doors), and a staircase labeled 'UP' at the bottom. The plan is oriented with a north arrow pointing upwards.

This architectural floor plan depicts a building section. A central corridor runs vertically, providing access to several rooms. On the left side of the corridor, there are two large rooms, each containing multiple rows of desks and chairs, suggesting a classroom or lecture hall setting. On the right side, there are smaller, individual rooms, each furnished with a desk and chair. A staircase, indicated by an 'UP' arrow, is located at the bottom center of the plan. The drawing uses simple black lines on a white background to represent walls, doors, and furniture.

[illegible]

This architectural floor plan depicts a building layout with several rooms and corridors. At the bottom center, a staircase is labeled "UP" with an arrow pointing upwards. To the left of the staircase is a large room containing a circular table and several chairs. To the right of the staircase is a long corridor with a door at the top. Further right is a room with a large table and several chairs. At the top of the plan, there is a long corridor with a door at the left end. To the right of this corridor is a room with a large table and several chairs. At the bottom right, there is a room with a large table and several chairs. The plan also shows various other rooms, corridors, and doors, including a room with a large table and several chairs at the top right. The drawing is a black and white line drawing with a grid background.
