Proposed Elevations

Drawing Number A1265(02)AP004	Revision P3
Drawing Status Preliminary	

Changes to this application relate to the ground floor front elevation only. The approved scheme 126006/FO/2020 proposed a new full width glass shopfront that span the full width of the front elevation. Refer to drawing no. F11/EA/12

We propose to change this design to create a 3-panel floor to ceiling glass shopfront that sits centre to two entrance doors either side. The one on the right for the retail entrance and the one on the left as the residents entrance.
