Hi Steve

Yes, the survey was carried out this week and I can confirm that no evidence from bats or suitable roosting features of value to bats were observed so no additional surveys will be required.

As soon as the payment has been processed, I will get the report populated for you.

Have a great weekend.

Best Wishes

Garry

Morning Garry,

I've left a couple of voicemails regarding the survey for the address above. Just wanted to confirm all went as planned and any update when we can take receipt of the report.

Please advise.

Kind Regards,

Steve
