

## Appendix E Proforma for Planning Applications

MANCHESTER  
CITY COUNCIL

### Planning Application – Waste Management Strategy

Planning Application Number: 136176 / F0 / 2023  
Date Submitted: 6/2/23

#### Estimated volumes/ m<sup>2</sup> required by the development

##### Low Rise Domestic

| Waste Types        | Capacity Required (litres) | Number of bins required per household | Confirm what is to be provided |
|--------------------|----------------------------|---------------------------------------|--------------------------------|
| General refuse     | 140 / 240                  | 1 x wheeled bin                       |                                |
| Pulpable Recycling | 140 / 240                  | 1 x wheeled bin                       |                                |
| Mixed Recycling    | 140 / 240                  | 1 x wheeled bin                       |                                |
| Garden Waste       | 140 / 240                  | 1 x wheeled bin                       |                                |
| Food Waste         | 23                         | 1 x 23 litre caddy                    |                                |

##### High Rise Apartment Developments

|                                                                                                                                                                                                                                          | Yes/No - how much space has been provided? |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------|
| 0.43m <sup>2</sup> has been provided per apartment for the container space. Space to manoeuvre and access containers individually has also been provided so that each container can be accessed and removed for collection individually. |                                            |

### Commercial Developments

Please state number of bins you propose, showing calculations where appropriate.

|                      |                                            |
|----------------------|--------------------------------------------|
| General Waste -      | 1x general waste external                  |
| Pulpable Recycling - | 1x cage for cardboard storage & collection |
| Mixed Recycling -    |                                            |
| Food Waste -         | 1x food bin                                |
| Industrial Waste -   |                                            |

|                                                                  |
|------------------------------------------------------------------|
| Has / will a contract be obtained with a licenced waste carrier? |
|------------------------------------------------------------------|

### Mixed Use Developments

N/A

|                                                                         |
|-------------------------------------------------------------------------|
| Are the stores for residential and commercial separate from each other? |
|-------------------------------------------------------------------------|

### Internal Stores (Residential and Commercial)

Please provide details of internal stores / segregation of waste and recycling.

See plans - some breakout & FTS storage for share.

### Storage Areas for Waste Containers (Residential and Commercial)

Please provide details of container stores, attaching plans if appropriate.

See plans

|                                             |
|---------------------------------------------|
| Ensure all bins in the store are accessible |
|---------------------------------------------|

|                                                                     |
|---------------------------------------------------------------------|
| Ensure recycling facilities are as easy to access as general refuse |
|---------------------------------------------------------------------|

Please confirm details of waste store ventilation and hygiene / cleaning proposals

Ventilation -

Hygiene -

} Commercial collection & regular cleaning  
carried out by site management team

Please provide details of who will be responsible for placing the bins at the collection point and returning them to the store / property promptly e.g. resident / management company

N/A as commercial bin collection

Please ensure that you have attached:

Detailed plans of waste stores

Location plans showing stores

Location plans showing the proposed collection point and the route the collection vehicle will take

Please ensure that you have completed this form in accordance with our GD04 Waste Storage and Collection Guidance for New Developments

1. The first part of the paper is devoted to a discussion of the general principles of the theory of the structure of the atom.

2. The second part of the paper is devoted to a discussion of the general principles of the theory of the structure of the atom.
