What was the original application type?

Householder planning permission

For the purpose of calculating fees, which of the following best describes the original development type?

- ☒ **Householder development:** Development to an existing dwelling-house or development within its curtilage
- ☐ **Other:** Anything not covered by the above category

Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

The depth of the porch on the current approved planning is 1.2m and we would like to amend this to have a 2m porch. Additionally a window has been included to the rear view.

Please state why you wish to make this amendment

The porch depth has been increased to allow more useable space as the currently approved porch is only deep enough to accommodate the door and will be a hindrance for person operating the door. Having a window to the rear will enable better air circulation as it is easier to open and close the window when compared to a bi-fold door.

Are you intending to substitute amended plans or drawings?

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
