Dear Thomas,

Re: Erection of single storey side and rear extension to form additional living accommodation.

This email is to advise you that I propose conducting an officer's site visit in relation to the above planning application on, 07/06/2023 between 12:00 - 15:00hrs. Can you therefore advise your client in this regard, and if there is a gated access it is unlocked for the visit, thanks.

On a secondary matter, in terms of the submitted information, given the loss of the existing side access to accommodate the proposed extension, the proposed refuse management arrangements are unclear. Can you provide these details in terms of the site storage and location of wheeled bins, proposed materials and measurements, thanks.

Best Wishes,
