Hi Sue,

Long time no speak - hope you are well.

This requires a local labour condition - the attached local labour proposal was submitted with the application but it does not give us any numbers in terms of jobs and apprenticeships. Quite happy to accept the proposal though cause numbers are best guesses anyway.

Gary, this is in Openshaw and also involves RP Jigsaw so maybe one to link to the Construction Skills Centre?

Thanks

Teun

One for Openshaw Teun, looping in Gaz in case there is scope to link in with the NM skills hub and activity as they usually throw these up pretty quick.
