

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

Part 1 – Particulars of the application/development

Proposal: Erection of part two, part three storey building to provide 26 no. retirement apartments with associated communal facilities, landscaping, boundary treatments and car parking following the demolition of the existing dwelling

Location: Jessiefield , Spath Road, Manchester, M20 2TZ

Date of application: 21 September 2022

Application number: 134946/FO/2022

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Approved** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Article 35 Declaration

Officers have worked with the applicant / agent in a positive and proactive manner to guide the application through all stages of the planning process and resolve any issues that arose in dealing with the planning application.

Condition(s) attached to this decision

1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

Location plan referenced NO 2697 3 AC 0001, received by the City Council as Local Planning Authority on 14 September 2022, drawings referenced NO-2697-3-AC-0003, NO-2697-3-AC-0008, NO-2697-3-AC-1000 Rev C, NO-2697-3-AC-1001 Rev C, drawing reference 1050-KC-XX-YTREE-TPP01/Rev C received by the City Council as Local Planning Authority on 1st March 2023, drawing referenced NO-2697-3-AC-2002 Rev E and NO-2697-3-AC-2001 Rev E received by the City Council as Local Planning Authority on 22 February 2023, drawing referenced NO-2697-3-AC-0002 Rev G received by the City Council as Local Planning Authority on 24 February 2023, drawing reference NO-2697-3-AC-0020 Rev B received by the City Council as Local Planning Authority on 1st March 2023, drawings referenced NW-2697-03-LA-101 3712 Rev F and NW-2697-03-LA-201 3712 Rev A received by the City Council as Local Planning Authority on 3rd March 2023

Energy Statement produced by Focus Consultants and received by the City Council as Local Planning Authority on 14 September 2022

Phase I Desk Top Study Report prepared by Arc Environmental, dated 7 August 2020, received by the City Council as Local Planning Authority on 14 September 2022.

Reason - To ensure that the development is carried out in accordance with the approved plans, pursuant to policies SP1 and DM1 of the Manchester Core Strategy.

3) No above ground development that is hereby approved shall commence unless and until samples and specifications of all materials to be used on all external elevations of the development have been submitted to and approved in writing by the City Council as local planning authority. The development shall only be implemented in accordance with the agreed materials.

Reason - To ensure that the appearance of the development is acceptable to the City Council as Local Planning authority, in the interests of the visual amenity, pursuant to policies SP1, EN3 and DM1 of the Core Strategy.

4) Notwithstanding details submitted, prior to the commencement of development, a construction management/demolition plan outlining working practices during development shall be submitted to and approved in writing by the local planning authority, which for the avoidance of doubt should include:

- Measures to control noise and vibrations;
- Dust suppression measures;
- Compound locations where relevant;
- Location, removal and recycling of waste;
- Detail of an emergency contact telephone number;
- Parking of construction vehicles; and
- Sheeting over of construction vehicles.

The development shall only be carried out in accordance with the approved construction management plan.

Reason - To safeguard the amenities of nearby residents pursuant to policies SP1, EN19 and DM1 of the Manchester Core Strategy.

5) Prior to first occupation of the development hereby approved, the City Council as Local Planning Authority must acknowledge in writing that it has received written confirmation of a 'Secured by Design' accreditation.

Reason - To reduce the risk of crime, pursuant to policies SP1 and DM1 of the Manchester Core Strategy and to reflect the guidance contained in the National Planning Policy Framework.

6) No above ground development shall take place until surface water drainage works have been implemented in accordance with Non-Statutory Technical Standards for Sustainable Drainage Systems (March 2015) or any subsequent replacements national standards and details that have been submitted to and approved in writing by the City Council as Local Planning Authority.

The submitted details shall include:

- Consideration of alternative green SuDS solution (that is either utilising infiltration or attenuation) if practicable;
- Details of surface water attenuation that offers a reduction in surface water runoff rate in line with the Manchester Trafford and Salford Strategic Flood Risk Assessment.
- An existing and proposed impermeable areas drawing to accompany all discharge rate calculations.
- Runoff volume in the 1 in 100 year, 6 hours rainfall shall be constrained to a value as close as is reasonable practicable to the greenfield runoff volume for the same event, but never to exceed the runoff volume from the development site prior to redevelopment;
- Evidence that the drainage system has been designed (unless an area is designated to hold and/or convey water as part of the design) so that flooding does not occur during a 1 in 100 year rainfall event with allowance for climate change in any part of a building;
- Assessment of overland flow routes for extreme events that is diverted away from buildings (including basements). Overland flow routes need to be designed to convey the flood water in a safe manner in the event of a blockage or exceedance of the proposed drainage system capacity including inlet structures. A layout with overland flow routes needs to be presented with appreciation of these overland flow routes with regards to the properties on site and adjacent properties off site;
- Results of ground investigation carried out under Building Research Establishment Digest 365. Site investigations should be undertaken in locations and at proposed depths of the proposed infiltration devices. Proposal of the attenuation that is achieving half emptying time within 24 hours. If no ground investigations are possible or infiltration is not feasible on site, evidence of alternative surface water disposal routes (as follows) is required.
- Where surface water is connected to the public sewer, agreement in principle from United Utilities is required that there is adequate spare capacity in the existing system taking future development requirements into account. An email of acceptance of proposed flows and/or new connection will suffice.
- Hydraulic calculation of the proposed drainage system;
- Construction details of flow control and SuDS elements.

The development shall be carried out in accordance with the agreed details.

Reason - To promote sustainable development, secure proper drainage and to manage the risk of flooding and pollution, pursuant to policies EN8 and EN14 of the Manchester Core Strategy.

7) No development hereby permitted shall be occupied until details of the implementation, maintenance and management of the sustainable drainage scheme have been submitted to and approved by the City Council as Local Planning Authority. The scheme shall be implemented and thereafter managed and maintained in accordance with the approved details. Those details shall include:

- Verification report providing photographic evidence of construction as per design drawings;

- As built construction drawings if different from design construction drawings;

- Management and maintenance plan for the lifetime of the development which shall include the arrangements for adoption by any public body or statutory undertaker, or any other arrangements to secure the operation of the sustainable drainage scheme throughout its lifetime.

Reason - To prevent the increased risk of flooding, to improve and protect water quality and ensure future maintenance of the surface water drainage system, pursuant to policy EN17 of the Manchester Core Strategy.

8) Notwithstanding details submitted, the development hereby approved shall not be occupied until a scheme for the storage (including segregated waste recycling) and disposal of refuse has been submitted to and approved in writing by the City Council as local planning authority. The details of the approved scheme shall be implemented as part of the development and shall remain in situ whilst the use or development is in operation. No bins shall be stored outside the curtilage of the site other than on the day of collection.

Reason - In the interests of public health and residential amenity, pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

9) The car parking area indicated on drawing numbered NO-2697-3-AC-0002 Rev G, received by the City Council as Local Planning Authority on 24 February 2023 shall be surfaced, demarcated and made available for use prior to any of the residential units hereby approved being occupied. The parking areas shall be for the sole use of residential occupants of the development and shall be available for use at all times whilst the apartments are occupied.

Reason - To ensure that there is adequate car parking for the development proposed when the building is occupied, pursuant to policies DM1, T2 and SP1 of the Manchester Core Strategy.

10) Prior to the first occupation of the development hereby approved, full details of electric car charging points shall be submitted for approval in writing by the City Council, as Local Planning Authority. The approved details shall then be implemented as part of the development and be in place prior to the first occupation of the apartments and retained thereafter.

Reason - In the interest of air quality pursuant to policy EN16 of the Manchester Core Strategy.

11) The boundary treatment shall be implemented in accordance with the details shown on drawing referenced NW-2697-03-LA-101 3712 Rev F received by the City Council as Local Planning Authority on 3rd March 2023. The boundary treatment shall be completed prior to first occupation of the apartments hereby approved. The development shall be carried out in accordance with the approved details and shall thereafter be retained.

Reason - To ensure that the appearance of the development is acceptable to the City Council as Local Planning Authority in the interests of the visual amenity of the area within which the site is located, pursuant to policies SP1 and DM1 of the Manchester Core Strategy.

12) The hard and soft landscaping scheme approved by the City Council as Local Planning Authority shown on drawings referenced NW-2697-03-LA-101 3712 Rev F and NW-2697-03-LA-201 3712 Rev A received by the City Council as Local Planning Authority on 3rd March 2023 shall be implemented not later than 12 months from the date of commencement of works. If within a period of 5 years from the date of the planting of any tree or shrub, that tree or shrub or any tree or shrub planted in replacement for it, is removed, uprooted or destroyed or dies, or becomes, in the opinion of the local planning authority, seriously damaged or defective, another tree or shrub of the same species and size as that originally planted shall be planted at the same place.

Reason - To ensure that a satisfactory landscaping scheme for the development is carried out that respects the character and visual amenities of the area, in accordance with policies SP1, EN9 and DM1 of the Manchester Core Strategy.

13) The development hereby approved shall be carried out in accordance with details contained with the Energy Statement produced by Focus Consultants and received by the City Council as Local Planning Authority on 14 September 2022 . A post construction review certificate/statement shall be submitted for approval prior to first occupation of the development hereby approved.

Reason - In order to minimise the environmental impact of the development pursuant to policies SP1, T1-T3, EN4-EN7 and DM1 of the Core Strategy and the principles contained within The Guide to Development in Manchester SPD (2007) and the National Planning Policy Framework.

14) The development hereby approved shall include a lighting scheme for the illumination of external areas during the period between dusk and dawn. Full details of such a scheme shall be submitted to and approved in writing by the local planning authority prior to commencement of any lighting works. The approved scheme shall be implemented in full before the development is first occupied and shall remain in operation for so long as the development is occupied.

Reason - In the interests of amenity, crime reduction and the personal safety of those using the proposed development pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

15) If any external lighting at the development hereby approved, when illuminated, causes glare or light spillage which in the opinion of the Council as local planning authority causes detriment to adjoining and nearby residential properties, within 14 days of a written request, a scheme for the elimination of such glare or light spillage shall be submitted to the Council as local planning authority and once approved shall thereafter be retained in accordance with details which have received prior written approval of the City Council as Local Planning Authority.

Reason - In order to minimise the impact of the illumination of the lights on the occupiers of nearby residential accommodation, pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

16) Prior to first occupation of the apartments hereby approved, a scheme for the enhancement of the site for biodiversity purposes shall be submitted to and agreed in writing by the City Council as Local Planning Authority. The agreed scheme shall be implemented in accordance with a timescale to be agreed and retained and maintained thereafter.

Reason -To mitigate the loss of vegetation and to promote bio-diversity, pursuant to policy EN15 of the Manchester Core Strategy and the National Planning Policy Framework (NPPF).

17) Prior to any site clearance or earthworks a reasonable avoidance measures method statement for hedgehog and other mammals shall be submitted to and approved in writing by the City Council as local planning authority. The development shall be carried out in accordance with the agreed details.

Reason - To ensure the protection of habitat of species that are protected under the Wildlife and Countryside Act 1981 or as subsequently amended and to comply with policy EN15 of the Manchester Core Strategy.

18) The development hereby approved shall be implemented in accordance with the submitted Phase I Desk Top Study Report prepared by Arc Environmental, dated 7 August 2020, received by the City Council as Local Planning Authority on 14 September 2022. The Preliminary Risk Assessment shall conform to City Council's current guidance document (Planning Guidance in Relation to Ground Contamination).

In the event of the Preliminary Risk Assessment identifying risks which in the written opinion of the Local Planning Authority require further investigation, the development shall not commence until a scheme for the investigation of the site and the identification of remediation measures (the Site Investigation Proposal) has been submitted to and approved in writing by the City Council as local planning authority.

The measures for investigating the site identified in the Site Investigation Proposal shall be carried out, before the development commences and a report prepared outlining what measures, if any, are required to remediate the land (the Site Investigation Report and/or Remediation Strategy) which shall be submitted to and approved in writing by the City Council as local planning authority.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety, pursuant to policies DM1 and EN18 of the Manchester Core Strategy.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety, pursuant to policies DM1 and EN18 of the Manchester Core Strategy.

19) When the development commences, the development shall be carried out in accordance with a previously agreed Remediation Strategy and a Completion/Verification Report shall be submitted to and approved in writing by the City Council as local planning authority. No occupation of the development shall take place until the completion/verification report is submitted to and approved by the City Council as local planning authority.

In the event that ground contamination, groundwater contamination and/or ground gas, not previously identified, are found to be present on the site at any time before the development is occupied, then development shall cease and/or the development shall not be occupied until, a report outlining what measures, if any, are required to remediate the land (the Revised Remediation Strategy) is submitted to and approved in writing by the City Council as local planning authority and the development shall be carried out in accordance with the Revised Remediation Strategy, which shall take precedence over any Remediation Strategy or earlier Revised Remediation Strategy.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety, pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

20) a) Any externally mounted ancillary plant, equipment and servicing to be installed shall be selected and/or acoustically treated in accordance with a scheme designed so as to achieve a rating level of 5dB (LAeq) below the typical background (LA90) level at the nearest noise sensitive location. Prior to its installation, the scheme shall be submitted to and approved in writing by the City Council as Local Planning Authority in order to secure a reduction in the level of noise emanating from the site.

b) Prior to any externally mounted ancillary plant, equipment and servicing to be installed becoming operational, an approved verification report shall be submitted to and approved in writing by the City Council as Local Planning authority to validate that the work undertaken throughout the development conforms to the recommendations and requirements in the approved acoustic report. The report shall also undertake post completion testing to confirm that the noise criteria have been met. Any instances of non - conformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the agreed noise criteria.

Reason - To minimise the impact of the development and to prevent a general increase in pre-existing background noise levels around the site, pursuant to saved policy DC26 of the Unitary Development Plan for the City of Manchester and policies DM1 and SP1 of the Manchester Core Strategy.

21) Prior to the commencement of above ground works, full details of all necessary off-site highway works, to be implemented via a S.278 agreement, shall be submitted to and approved in writing by the City Council as Local Planning Authority and be implemented in accordance with a timescale to be agreed by the City Council as Local Planning Authority. Such works should include:

-Any works to facilitate the widened access onto Spath Road and the making good of any associated footway.

Reason - In the interests of highway safety and amenity, pursuant to Policies DM1 and SP1 of the Manchester Core Strategy.

22) In this condition "retained tree" means an existing tree, shrub or hedge which is to be as shown as retained on drawing referenced 1050-KC-XX-YTREE-TPP01/Rev C received by the City Council as Local Planning Authority on 1st March 2023. The particulars; and paragraphs (a) and (b) below shall have effect until the expiration of 5 years from the date of the occupation of the building for its permitted use.

(a) No retained tree shall be cut down, uprooted or destroyed, nor shall any retained tree be topped or lopped other than in accordance with the approved plans and particulars, without the written approval of the local planning authority. Any topping or lopping approved shall be carried out in accordance with British Standard 5387 (Trees in relation to construction)

(b) If any retained tree is removed, uprooted or destroyed or dies, another tree shall be planted at the same place and that tree shall be of such size and species, and shall be planted at such time, as may be specified in writing by the local planning authority.

(c) The erection of fencing for the protection of any retained tree shall be undertaken in accordance with the approved plans and particulars before any equipment, machinery or materials are brought on to the site for the purposes of the development, and shall be maintained until all equipment, machinery and surplus materials have been removed from the site. Any works undertaken within the identified 'no-dig construction' areas on the approved Tree Protection Plan shall be supervised by a suitably qualified arboricultural expert. Nothing shall be stored or placed in any area fenced in accordance with this condition and the ground levels within those areas shall not be altered, nor shall any excavation be made, without the written consent of the local planning authority.

Reason - In order avoid damage to trees/shrubs adjacent to and within the site which are of important amenity value to the area and in order to protect the character of the area, in accordance with policies EN9 and EN15 of the Manchester Core Strategy.

23) All tree work should be carried out by a competent contractor in accordance with British Standard BS 3998 "Recommendations for Tree Work".

Reason - In order avoid damage to trees/shrubs adjacent to and within the site which are of important amenity value to the area and in order to protect the character of the area, in accordance with policies EN9 and EN15 of the Manchester Core Strategy.

24) Before first occupation of the development hereby approved the communal windows to the western elevation facing the rear of properties along Holme Road, shown on drawing referenced NO-2697-3-AC-1000 Rev C, received by the City Council as Local Planning Authority on 23 December 2022, shall be obscure glazed to a specification of no less than level 5 of the Pilkington Glass Scale or such other alternative equivalent and shall remain so in perpetuity.

Reason - To protect the amenity and living conditions of adjacent residential property from overlooking or perceived overlooking and in accordance with policies SP1 and DM1 of the Manchester Core Strategy.

25) Each residential unit within the purpose-built Retirement Living housing development hereby approved shall be occupied only by:

-A single person not less than 60 years of age;

- Joint residents of whom the head of the household is not less than 60 years of age and the spouse, partner or cohabitee not less than 55 years of age;

-Persons living as part of a single household with such a person or persons;

-Persons who were living as part of a single household with such a person or persons who have since died.

Reason - In the interest of amenity and to allow diversification of the housing stock, pursuant to policies DM1, SP1 of the Manchester Core Strategy.

Informatives

Building Regulations 2010

This permission does not grant approval under Building Regulations.

Street Naming & Numbering Requirements

Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the subdivision of existing properties you must ensure that you request new or changes to addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

You can apply online at the following address:

http://www.manchester.gov.uk/info/100011/roads_parking_and_transport/1988/naming_and_numbering_of_houses_buildings_streets_and_roads/2

The required off site highway works shall be undertaken via a S.278 agreement between the applicant and the Council's Highways section. The following link can be used for information:

https://www.manchester.gov.uk/directory_record/287709/permission_to_work_on_the_highways__section_278_agreements/category/355/highways_and_pavements

Should the presence of bats be found at any time during demolition or development, all works at the site should cease and notification should be made to the City Council as Local Planning Authority. A licensed bat consultant and/or ecologist should undertake a survey of the site and buildings and report any findings to the City Council and methods

of mitigation agreed, by the City Council, as Local Planning Authority, prior to the progression of any further works.

No vegetation or tree clearance required to facilitate the development shall take place during the optimum period for bird nesting (March to August inclusive). All nesting birds their eggs and young are specially protected under the terms of the Wildlife and Countryside Act 1981 (as amended).

Date: 12 July 2023

Manchester City Council, P O Box 532, Town Hall, Manchester M60 2LA

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2 If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
