Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: New towers will overshadow the square on 1st Street. People used to spend a lot of time in this square because it was very sunny for most of the day. Deansgate Square was built and now there is only a couple of hours of sunshine left in a day. After building more high-rise buildings there will be no sunshine in the square at all.
