Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Reason(s) for decision

1) The continued use of the site for motor vehicle repairs would be unduly detrimental to the amenities that occupiers of adjacent residential properties might reasonably expect to enjoy, by virtue of increased comings and goings associated with customer activity, deliveries and vehicle movement, together with the noise and disturbance associated with the undertaking of repair work and the insufficient arrangements for the parking of vehicles within the curtilage of the site and the resulting exacerbation of existing on-street parking, highway difficulties and traffic congestion in the area, to the detriment of pedestrian and highway safety. As such the proposal would be contrary to saved policy DC26, of the Unitary Development Plan for the City of Manchester and policy DM1 of the Manchester Core Strategy.
