Date: 11 May 2023

Dear Sir/Madam,

Application under Section 96a of the Town & Country Planning Act 1990 (as amended) for a Non-Material change to a planning permission

Application No: 136680/NMC/2023

Description: Non material amendment to planning permission referenced 134504/FO/2022 to allow changes to the configuration the floorplate of 3no. proposed apartments blocks, minor alterations to external dimensions of the apartment blocks and rationalisation of internal communal areas, with associated elevational alterations

Location: Olympic Freight Terminal, Storage Land , Bennett Street, Manchester, M12 5NL

I refer to your application for a non-material amendment to planning permission reference 134504/FO/2022.

The revisions to the approved scheme relate changes to the configuration the floorplate of 3no. proposed apartments blocks, minor alterations to external dimensions of these apartment blocks and rationalisation of internal communal areas within these blocks, and associated elevational alterations.

It is considered that the proposed revisions would not have a detrimental impact in terms of the visual appearance, and amenity of the proposed adjoining residential properties, and associated wording of condition no.2 to be amended to reference the revised plans .

Following an assessment of the details submitted, I can confirm that the proposed amendments are considered to be of a non-material nature and acceptable to the City Council as the Local Planning Authority. The City Council is satisfied that the proposed changes will not result in any significant material alterations to the planning approval.

Therefore I can confirm that the proposed amendments are hereby **approved**.

It should be noted that this letter of consent does not supersede the decision notice attached to planning permission 134504/FO/2022. These documents should be read in conjunction with one another. Therefore, the conditions previously applied to approval 134504/FO/2022 still apply to this development. However, due to the acceptance of the amendments outlined above, the following amended conditions also now apply:

2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

Location plan ref: KH/BSM/LP/01 received 26th July 2022;
