Dear Jennifer,

DW2005-23 Denmark Street Temporary Car Park, Manchester Science Park

Thank you for asking us to provide an update upon the previously approved Flood Risk Assessment and Drainage Strategy documents listed below:-

- Flood Risk Assessment DW0660 dated 9th June 2014.
- Drainage Strategy DW0660 dated 9th June 2014.
- Drainage Strategy DW2005 dated 6th September 2019.

We have visited site and can confirm that there have been no changes to the temporary car park size or surfacing, and on that basis, we would advise that the documents listed above remain relevant for the new submission.

Should you require anything further from us to support the application please do not hesitate to contact us.

Yours sincerely
For and on behalf of DW Consulting Engineers LLP
