Comment Reasons:

Comment: We need more discount stores in Chorlton - we have no Aldi or B&M and Quality Save only stocks basic items. I certainly support a new Lidl especially as it always pleasant to shop there as you are not blasted with loud music as in Morrisons and the prices are excellent. You can also get continental foods which are not available in most other stores. Plenty of parking, please, and ensure it is safe for pedestrians and children in nearby schools with Puffin crossings etc nearby.
