Hi Kate

We'd love the loft room on the 1st October and we'd like to take the first floor front room if that's okay? We really do appreciate you removing the £75 window charge and thank you so much. We wouldn't mind moving out before the 31st August, Anytime that previous week would be okay. Many thanks.

Hi Jennah & Danny,

Hope this finds you both well.

We have some discussions/proposals for you regarding you guys moving into 144 Moseley road:

The loft room is available from the 1st October, and is yours if you want it (£115 per week). We would be happy for you to take either the first floor middle or first floor front bedroom in the meantime at £105 per week. As this is all a bit of pain for you, wed be happy to remove the £75 charge for the glass from your arrears.

The house you are currently in is occupied from the 1st September, and therefore your last day would be the 31st August. It would be a massive help to us in the cleaning/repairs etc of the house prior to the new tenants moving in, if you'd be able to move out sooner than the 31st August. Maybe if there was a day that suited you both, anytime between now and then, and we could get that arranged?

Please let me know your thoughts, and thanks for your understanding our situation. I can get the new contracts drawn up as soon as you're decided.

Thanks
Kate & Andrew
