Customer Guarantee – Important Information

Guarantee Information

Stroma Certification provides this Customer Guarantee to cover the work undertaken by a Stroma Certification Certified Competent Person, in accordance with their scope of Certification of the Building Regulations.

The Competent Person and a description of works are detailed on the reverse of this document.

What is the Customer Guarantee?

The Customer Guarantee is automatically provided for all works completed by the Stroma Certification Certified Competent Person, as documented in this notification of works certificate. The Regulations, and consequently the Customer Guarantee, apply to installations within dwellings in England or Wales only.

The Customer Guarantee is solely intended to protect against the cost of rectifying the Certified Competent Persons work should it fail to comply with the standards required by the Building Regulations. It does not cover wear and tear or breakdown of failure of installed products. Consequential losses, such as inconvenience or loss of the use are also excluded.

The Customer Guarantee is valid for a period of 6 Years from the completion of the work. Claims must be notified to us during this period if they are to be valid. Where a valid claim exists we will usually settle it by arranging for the defective aspects of the installation to be rectified at no further expense to you. The most we will pay to achieve this is the original contract value up to a maximum of £25,000.

How to Claim?

To notify a claim please call 0845 621 1111, fax 0845 621 1112 or email us at certified@stroma.com. Alternatively you can write to us at Stroma Certification, (CPS Dept), 4 Pioneer Way, Castleford, West Yorkshire, WF10 5QU.

Customer Care

Stroma Certification is committed to maintaining a high standard of professional conduct in all our dealings with customers.

If you feel that your arrangements have not been handled in the manner in which you would expect and you wish to make a complaint, please contact us to discuss this further. We will ensure that the matter receives immediate attention and you will be sent a copy of our Complaints Procedure.
