General Notes

1. This drawing remains copyright of Progress in Practice and may not be reproduced or copied without consent in writing.
2. Do not scale drawing - use figured dimensions only.
3. Any discrepancies between site and drawings to be reported to the architect immediately.
4. Read in conjunction with all relevant structural and mechanical & electrical engineers drawings.
5. Dimensions critical to proposed building works must be checked on site before building works commence, as certain assumptions have been made due to lack of accessibility and anomalies in the existing building.
