

A 3D architectural rendering of a residential property. The scene features a large, green lawn enclosed by a dark brown wooden fence. A yellow path leads from the lawn to a paved patio area. The house is a two-story building with white walls and a brown roof. It has several windows, including a large bay window on the ground floor and a dormer with three windows on the upper floor. A small white structure is visible near the house. The overall style is clean and modern.

A 3D architectural rendering of a modern two-story house. The house has a brown gabled roof with two skylights. The main body of the house is white, while the gable end is dark grey. There are several windows, including a large set of double doors on the ground floor. A small white square extension is attached to the side. The front porch has a tiled floor and a yellow wall. The house is surrounded by a green lawn and a wooden fence. A yellow path leads from the porch to the lawn. The background shows a clear blue sky and a white wall.
