

A speed limit sign with a digital display. The sign is rectangular with a black border. At the top, it says "YOUR SPEED" in yellow. In the center, a digital display shows the number "20" in green. At the bottom, it says "THANK YOU" in yellow. The sign is mounted on a post.

ACCESS ROAD WILL BE SUBJECT
TO DOUBLE YELLOW LINE
RESTRICTIONS TO PREVENT
WAITING AND PARKING ALONG
BOTH SIDES OF ACCESS ROAD

The site plan illustrates the proposed layout for the LIDL site, focusing on the approach road and parking areas. Key features include:

- Approach Road:** A road running vertically on the left side of the plan, featuring a dashed line indicating a lane. A red hatched area is shown along the road, with a note: "SPEED HUMPS AND CONTRASTING SURFACE TREATMENT TO REDUCE APPROACH SPEEDS INTO LIDL SITE ACCESS ROAD".
- Parking Areas:** Several parking spaces are marked with green lines. A large parking area is located on the right side of the plan, and a smaller one is on the left side, adjacent to the approach road.
- Buildings:** A red hatched building is located on the left side of the plan, near the approach road. A red hatched building is also located on the right side of the plan, near the large parking area.
- Other Features:** A blue hatched area is located on the left side of the plan, near the approach road. A red hatched area is located on the right side of the plan, near the large parking area. A red hatched area is located on the right side of the plan, near the large parking area.
