

Insomnia Cookies UK Ltd – Waste Management Plan

- **Insomnia Cookies UK Ltd** have detailed plans for how we will handle waste on site (we have schematics we show 2 recycling bins and 1 waste bin)
- **Insomnia Cookies UK Ltd** will have a contractor (Veolia) collect waste on a periodic basis.
- As part of our licensing application, **Insomnia Cookies UK Ltd** have said we will conduct periodic litter picking in the vicinity of the storefront.
- **Insomnia Cookies UK Ltd** are committed to recycling and work with our retailers and waste management contractors to maximise the amount of recycling we do and to make it as easy as possible.
- **Disposal of broken items**
Insomnia Cookies UK Ltd does not have the facilities to dispose of third parties' unwanted or broken items, this is the responsibility of the third party.
Depending on the item and location, this may require a Risk Assessment, Method Statement RAMS NOP 5.04.
- **Disposal of fats, oils and grease**
There are legal and ethical issues to be considered with these materials – disposal is monitored by **Insomnia Cookies UK Ltd** and a waste transfer licence is required. It is mandatory to install a grease trap.
- All contractors intending to work at a **Insomnia Cookies UK Ltd** store must complete our acceptance process before they can arrive on site and follow a clear set of rules when at the site.
