The second floor plan shows a large rectangular room with a central window. To the left of the room is a narrow hallway leading to a door. To the right of the room is another narrow hallway leading to a door. The room has a dashed line indicating a partition or wall.

A minimalist line drawing of a house. It features a chimney on the left side, a gabled roof, and a small window with a flower box. The drawing is composed of simple black outlines on a white background.

A line drawing of a house. The house has a chimney on the left side and a dormer window on the right side. The dormer window has a gabled roof and contains two small rectangular objects, possibly representing a stove or a sink. The drawing is simple and uses only black lines on a white background.

A line drawing of a house with a chimney and a fence. The house has a gabled roof and a chimney on the right side. A fence is in the foreground, and a path leads to the house.

The second floor plan shows a large rectangular room. A single window is located on the right wall. A door is located on the left wall, opening into a small hallway or entrance area.

A line drawing of a house with a gabled roof. On the right side, there is a chimney with a brick pattern. The drawing is simple, using only black outlines on a white background.
