Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a condition that does not endanger the public.

Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

3) (a) The express advertisement consent hereby granted is limited to a period of five years starting on the date of the commencement of the display of the advertisement hoarding(s).

(b) Written notice shall be given to the Council of the date of commencement of the display of the advertisement hoarding(s) within 7 working days of that commencement.

4) (a) No individual advertisements displayed on the LED panel shall contain moving images, animation, video or full motion images or any images that resemble road signs, traffic lights or traffic signs.

(b) No individual advertisements shall be displayed for duration of less than 10 seconds.

(d) The display panel shall be fitted with a light sensor, designed to adjust the brightness to changes in ambient light levels.

Reason - In the interests of the visual amenities of the streetscene pursuant to policies SP1 and DM1 of the Core Strategy for the City of Manchester.

7) Notwithstanding the detail of drawings ref: Proposed Elevations Ref: 011-0203-0073/PA/05, the advertisement consent hereby approved does not confer consent of the erection timber safety fencing to the Ashton Old Road boundary as shown on Proposed site plan Ref: 011-0203-0073/PA/03.
