John,

653A Wilmslow Road Manchester M20 6QZ - 135772/TPO/2022

The applicant has proposed to remove two Sycamore trees, please see comments below:

Two number Sycamore trees (1no dead and 1no in decline) - to be felled to ground level due to condition. No replanting proposed unless absolutely necessary due to poor planting location/ground conditions and proximity to mature trees on neighboring property.

The tree in question is in decline and is under apparent stress. The tree was covered in Ivy when I inspected the tree, however, there was obvious crown dieback.

Please see screenshot of the tree in leaf from google street view below:

Kind regards
