Stance: Customer objects to the Planning Application

Comment Reasons:

Comment:I object to the building of the LIDL supermarket (or any supermarket) on the proposed site near the Barlow moor road tram stop because it would increase the amount of traffic near three of our local schools. My youngest son walks past this site on his way to and from Chorlton high school, every day. His close friend suffered a brain injury after being struck by a car, crossing the road near the school in May 2021. We need to increase safety for our children not endanger them more.
