Discharge of Conditions

Please provide a full description and/or list of the materials/details that are being submitted for approval

The work was done many years ago by owners who have long since moved on. I am just seeking paperwork to give to the solicitors of the buyer of my property to show that the conditions have been discharged. I have no materials to show as the work is already done. I also have no paperwork about when the work was completed as I haven't been left anything by previous owners (it was nearly 40 years ago). I can send photos of the windows. And I'm happy for a site visit. But the only conditions on the paperwork I have are related to when the work took place which I'm afraid I have no documentation on.
