Details of the pre-application advice received

The main points of advice given by Sue during our phone conversation

- Property to be residential rather than multiple occupancy
- Exterior to match closely to existing property. (walls, windows and roof)
- Extension should be at least 50mm from property boundary
- Extension subservient to existing property. Side extension set back at least 1.2m lower roof pitch than existing one.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

☐ Yes
