Comment Details

Commenter Type: Member of the Public

Stance: Customer made comments neither objecting to or supporting the Planning Application

Comment Reasons:

Comment: I have no objection to this store provided every effort is made not to damage the environment - e.g. solar panels for heating, water recycling and other water-saving measures, no plastic wrapping, no plastic bags etc. Also that the company takes responsibility for the huge amount of litter that will be generated, within the precincts of the store and in the surrounding area. I would also like to see Lidl put resources into the local community.
