Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: Dear Man CC,

I fully support the planning application of a low cost supermarket at this location. I understand there is comment from others regarding increased traffic, this to me is not a concern. I feel many residents of Chorlton would travel to Lidl on foot and thus avoid driving to the bigger super markets on Chester Road.

I fully support. [REDACTED]
