Details of the pre-application advice received

Paul asked if we had any historic plans so that the original room layout could be confirmed, and to see if this was an original wall that has previously been opened up.

Paul advised that if an original wall had been opened up then the reconstruction of the wall to infill this section could be supported as it reinstates the original division.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
