Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I am very concerned about the increased volume of traffic that the LIDL store will attract to an already busy area of Chorlton. There are 3 secondary schools and one primary school all in very close proximity to the proposed store. My concerns lie not only with child safety (road crossing / traffic accidents), but also with air pollution and its health impacts for our children.
